Subject: Strike Bac Lemon Odor Disinfectant
EPA Registration Number 37265-49
Your Submission Dated June 30, 1995
EPA Receive Date July 11, 1995

The amendment referred to above, submitted in connection with registration under the Federal Insecticide, Fungicide, and Rodenticide Act, as amended, to update your label in accordance with PR Notice 95-1 will be acceptable provided that you make the labeling changes listed below before you release the product for shipment bearing the amended label.

Under the heading "Environmental Hazards" Delete the statement "Do not discharge into lakes, streams, ponds, or public water unless in accordance with NPDES Permit. Do not contaminate water by cleaning of equipment or by disposing of wastes." Relocate the "Storage and Disposal" section to become part of the Directions for Use. Also, the Hazards to Humans and Domestic Animals subheading and corresponding text should be placed under the "broader" heading of Precautionary Statements.

A stamped copy of your labeling is enclosed for your records. Submit one (1) copy of the final printed label prior to release of the product for shipment.

STRIKE BAC® LEMON ODOR DISINFECTANT

Under the Federal Insecticide, Fungicide, and Rodenticide Act, this product is approved for the pest(s) registered under EPA Reg. No. 37265-49

scratches and cracks of surfaces. The excellent wettability of STRIKE BAC LEMON ODOR DISINFECTANT improves the penetration of the use solution into areas that otherwise might not be reached. THIS DISINFECTANT is effective against a wide variety of gram-positive and gram-negative bacteria. It is also an excellent deodorant and is especially effective in controlling odors that are hygienic in origin. Has a pleasant lemon odor. THIS DISINFECTANT mixes readily with water to form clear, stable use solutions. Use solutions are non-corrosive and non-staining to plastic, vinyl, synthetics, enamel, tile, and most common metals.

* Kills Pseudomonas, Salmonella and Staphylococcus

ACTIVE INGREDIENTS:
Alkyl (C14, 58%; C16, 28%; C12, 14%)
dimethyl Benzyl ammonium chloride 2.50%
INERT INGREDIENTS:..... 97.50%
TOTAL INGREDIENTS:..... 100.00%

*This disinfectant is effective at 4 oz/gal (1-31 against Pseudomonas aeruginosa PDR-10, Salmonella cholerasuis ATCC 10708, and Staphylococcus aureus ATCC 6538 when tested by the A.O.A.C. Use dilution test method for pre-cleaned, hard non-porous, inanimate environmental surface. This product may be used for cleaning and deodorizing, one-step cleaning, and disinfectant or pre-cleaned, non-porous, inanimate hard surfaces.

KEEP OUT OF REACH OF CHILDREN WARNING:

(See back panel for additional precautions)

PRACTICAL TREATMENT (FIRST AID) In case of contact, immediately flush eyes or skin with plenty of water for at least 15 minutes. For eyes, call physician. Remove and wash contaminated clothing. If swallowed, drink promptly a large quantity of water. Avoid alcohol. Call physician.

This DISINFECTANT reduces the surface tension of water improving its wettability. Microbes are capable of mass reproduction in sub-visible pores.

DIRECTIONS FOR USE

It is a violation of Federal Law to use this product in a manner inconsistent with its labeling.

*This product is not to be used as a terminal sterilant/high-level disinfectant on any surface or instrument that (1) is introduced directly into the human body, either into or in contact with the bloodstream or normally sterile areas of the body, or (2) contacts intact mucous membranes but which does not ordinarily penetrate the blood barrier or otherwise enter normally sterile areas of the body. This product may be used to pre-clean or decontaminate critical or semi-critical medical devices prior to sterilization or high-level disinfection.

APPLICATION

Select the proper dilution of STRIKE BAC LEMON ODOR DISINFECTANT your use from the directions below. Apply the use solution with a clean mop, cloth, squeegee, mechanical scrubber or mechanical spraying device. Prepare fresh use solution daily. Do not reuse solutions. Discard solutions when they become visibly soiled. For disinfection, thoroughly wet the surface to be treated. Surfaces must remain moist for at least 10 minutes to assure proper germicidal action. If desired, surfaces may then be rinsed with clean water or wiped with clean, damp cloth to remove suspended soils. This product may be used for cleaning and disinfecting hard, non-porous inanimate surfaces (glass, metal, glazed porcelain, linoleum, tile, smooth leather, vinyl, enameled and finished wood surfaces) on walls, floors, appliances and furnishings.

CLEANING

To clean and deodorize or to pre-clean prior to disinfection. Depending on the soil level of the area to be cleaned, use 8 oz to 16 oz of STRIKE BAC LEMON ODOR DISINFECTANT per gallon of water.

DISINFECTION

Hospitals, veterinary clinics, nursing homes. Use 1 part of STRIKE BAC LEMON ODOR DISINFECTANT per 22 parts of water (5% oz/gal approximately 1 qt. To 5 gallons) for one-step cleaning and disinfection of areas with light to medium soil loads. For heavily soiled areas, pre-clean as described above and then disinfect with STRIKE BAC LEMON ODOR DISINFECTANT at 1 part to 31 parts water (4 oz/gal).

Industrial Areas Barber Shops Restrooms, Restaurants, Food and Meat Processing Plants (Non-Food Processing Areas), other Non-Medical Uses. Pre-clean surfaces. Then disinfect with a solution of 1 part product in 50 parts of

water (2 1/2 oz/gal). Allow 10 minutes of dwell time. For deodorizing garbage containers, use 16 oz of this product per gallon. For deodorizing garbage collection equipment, use 16 oz of this product to perform proper disinfection. For mildew control, follow every seven days, or when necessary, use STRIKE BAC LEMON ODOR DISINFECTANT on floor scrubbing equipment. STRIKE BAC LEMON ODOR DISINFECTANT is not for use on surfaces.

PRECAUTIONARY STATEMENTS

STORAGE

Store in cool, dry place. Do not stack over 4 cases. Close closure once diluted. If mixed with other pesticides, fertilizers, or other chemicals, dispose of according to Federal or State Resource Conservation and Recovery Act (RCRA) regulations.

PESTICIDE DISPOSAL

Do not dump. Open dumping is prohibited. This product may be disposed of in a sanitary landfill or by incineration. Do not burn. Stay away from water.

CONTAINER DISPOSAL

Triple rinse (or equivalent) and recycle where available. Do not burn. Stay away from water. Causes eye and skin irritation. Avoid contact with eyes. If swallowed, swallow immediately. Avoid contamination of water bodies. ENVIRONMENTAL HAZARD: Do not contaminate water, streams, ponds, lakes, or other bodies of water. Do not discharge effluent into estuaries, oceans or other bodies of water. Do not discharge effluent into a National Pollutant Discharge Elimination System (NPDES) without a National Pollutant Discharge Permit. Do not discharge effluent into a sanitary landfill or by burning. Stay away from water. Do not discharge effluent into estuaries, oceans or other bodies of water. Do not discharge effluent into a National Pollutant Discharge Elimination System (NPDES) without a National Pollutant Discharge Permit. Do not discharge effluent into a sanitary landfill or by burning. Stay away from water. Do not discharge effluent into estuaries, oceans or other bodies of water. Do not discharge effluent into a National Pollutant Discharge Elimination System (NPDES) without a National Pollutant Discharge Permit. Do not discharge effluent into a sanitary landfill or by burning. Stay away from water.
