Attention: John F. Schlesinger
Vice President

Gentlemen:

Subject: UFS Silverator Recharge
EPA Registration No. 37370-10
Your Submission Dated October 12, 1983

The labeling referred to above, submitted in connection with registration under the Federal Insecticide, Fungicide and Rodenticide Act, as amended, is acceptable. A stamped copy is enclosed for your records.

This labeling is being accepted with the understanding that the following revisions will be made before the product is released for shipment bearing the amended labeling:

- a. Delete "UC Model 0402R" at the bottom of the small label.
- b. Revise the content statement on the small label to read "One bacteriostatic water treatment unit recharge." Do not highlight "bacteriostatic."
- c. Delete "U" and "C" from the lower corners of the small label.
- d. Under the product name on the small label, revise the words "Under Counter..." to read "Under the Sink..."

Five copies of the corrected label should be submitted for inclusion in this file.

Sincerely yours,

JHL
