### DIRECTIONS FOR USE CONTINUED

#### CATS AND DOGS

To kill fleas, ticks and lice apply powder liberally to body of animal, working in dust by rubbing against the lay of the hair until dust penetrates to the skin. Avoid getting dust in eyes, nose and mouth of animal. DO NOT use on nursing animals. Repeat treatment as necessary.

#### Kittens and Puppies

Do Not use on kittens and puppies under 4 weeks of age. For kittens and puppies over 4 weeks of age, treat the same as previously described for cats and dogs.

#### Pets' Sleeping Quarters

For kennels and living quarters, dust bedding and floor at the rate of 1 oz. per 50 ft. of surface. Repeat as needed.

#### Storage and Disposal

Storage: Store in a cool, dry location. Keep cap closed tightly to avoid moisture absorption.

Disposal: Do not reuse empty container. Wrap container and put in trash collection.
