

ADAMS FLEA OFF SHAMPOO

See Fig. 102

CAUTION

Human: Harmful if swallowed. Avoid contact with eyes. In case of contact, flush with water. Avoid contact with food and feed areas. Wash thoroughly after using with soap and warm water.

Animals: Do not use on puppies and kittens less than six weeks of age.

Environmental Hazards: This product is toxic to fish. Keep out of lakes, streams, ponds, tidal marshes and estuaries. Do not wash animal where runoff is likely to occur.

DIRECTIONS FOR USE

It is a violation of Federal Law to use this product in a manner inconsistent with its labeling.

Thoroughly soak animal with warm water taking 2-3 minutes to wet the animal. Apply Flea-Off Shampoo on head and ears and then head and ears, then repeat procedure with neck, chest, middle and hind quarters, finishing legs last. Let animal stand 3-5 minutes (this is an important part of shampoo procedure), then rinse animal thoroughly.

In extremely dirty, or soiled animals the above procedure may be repeated. Flea-Off-Shampoo may be used every 7-10 days as directed by your veterinarian.

STORAGE and DISPOSAL

Store in a cool area. Wrap empty container and put in trash collection.
