EPA Est. No. 37425-FL-1 EPA Reg. No. 37425-9
Net Contents 4 fl. oz./118 ml

Directions For Use (continued):

water and while still wet, sponge or dip the animal with the diluted ADAMS FLEA AND TICK DIP solution, making sure all areas are soaked. **DO NOT RINSE OFF.** Let dip dry on animal. For animals housed outdoors or in resistant flea areas, use 1 oz. (2 TBS.) to 1 gallon water. Do not use more than once every 1-3 weeks, or as directed by your veterinarian.

FOR KENNEL AND YARD SPRAY: Thoroughly mix 2½ ounces to one half gallon of water (covers 500 sq. ft.). Remove animals before spraying. Spray only ground, grass, runs and pet's quarters. Do not spray vegetation, plants or trees with this concentration. After spray has dried, remove pet's old bedding and replace with fresh bedding. Treat pets with one of our registered Flea and Tick Control products before allowing them to enter treated area. Repeat treatment if necessary.

STORAGE AND DISPOSAL

STORAGE: Store in a cool, dry area away from heat and open flame. Do not contaminate water, food or feed by storage or disposal. Do not transfer contents to other containers.

DISPOSAL: Do not reuse container. Rinse thoroughly and wrap container in several layers of newspaper and discard in trash.
