Have the product container or label with you when calling a poison control center or doctor, or going for treatment. You may also contact 1-877-757-4943 for emergency medical treatment information	

ENVIRONMENTAL HAZARDS

This product is toxic to fish. Do not add directly to water.

Caution: Do not put directly on broken skin or an open wound. Adams Fly Repellent lotion may be applied on a bandage.

DIRECTIONS FOR USE

It is a violation of Federal Law to use this product in a manner inconsistent with its labeling.

To Kill Ear Mites: Clean ear with Pet-Otic®. Place a sufficient amount of Pet-Mite Lotion into each ear to thoroughly coat the surface of the ear canal. Gently massage the base of the ear. Leave lotion in ear for a few minutes and carefully wipe the excess lotion from the ear with cotton. Do not reapply for 7 days. Lotion to be applied twice at 7-day intervals.

Consult a veterinarian before using this product on debilitated, aged, pregnant or nursing animals, or animals on medication. Do Not use on puppies and kittens under 12 weeks.

INDICATIONS

FOR USE ON HORSES. Controls flies, gnats, mites, mosquitoes, chiggers, lice and ticks. Before application, remove dirt or debris by brushing or washing with a mild detergent. When areas are completely dry, apply a light film to affected areas, massaging into the skin daily for 2 to 3 days. Then apply every 3 to 5 days as needed. To kill ticks, cover the tick with the lotion and let stand a few minutes before removing tick.

STORAGE AND DISPOSAL

STORAGE: Store in a cool, dry area away from heat and open flame. Do not contaminate water, food, or feed by storage or disposal. Do not transfer contents to other containers.

DISPOSAL: **If empty:** Do not reuse this container. Place in trash or offer for recycling if available. **If partly filled:** Call your local solid waste agency or 1-800-CLEANUP for disposal instructions. Never place unused product down any indoor or outdoor drain.
