HOT LINE NUMBER	
Have the product container or label with you when calling a poison control center or doctor, or going for treatment. You may also contact 1-877-757-4943 for emergency medical treatment information	

ENVIRONMENTAL HAZARDS

This product is toxic to fish. Do not add directly to water. Do not apply where runoff is likely to occur.

PHYSICAL OR CHEMICAL HAZARDS

FLAMMABLE: Keep away from heat and open flame. Contains alcohol. Do not apply to painted or finished wood surfaces.

DIRECTIONS FOR USE

It is a violation of Federal Law to use this product in a manner inconsistent with its labeling.

GENERAL USE

DOGS AND CATS

Remove safety cap and insert sprayer. Cover animal's eyes with hand and with a firm, fast stroke to get a proper spray mist spray head, ears, and chest until damp. With fingertips rub into face around mouth, nose, and eyes. Next spray neck, middle, and hind quarters, finishing legs last. For best penetration of spray to the skin, direct spray against the natural lay of the hair. On long haired dogs, rub your hand against the lay of the hair, spraying the ruffled hair directly behind the hand. Make sure spray thoroughly wets ticks. Depending on reinfestation levels in the pet's environment, extended insecticide and repellent actions of up to 14 days have been demonstrated with Adams 14 Day Residual Flea and Tick Mist, containing stabilized pyrethrins. Do not reapply product for 14 days.

Consult a veterinarian before using this product on debilitated, aged, pregnant or nursing animals, or animals on medication.

PUPPIES AND KITTENS

Do Not use on puppies and kittens under 12 weeks. Spray only along animal's back or on your fingertips and massage into animal's fur.

PET'S ENVIRONMENT

For comprehensive control of fleas and ticks, it is essential to control both eggs and larvae which occur both indoors and outdoors. If environment infestation is severe, we recommended the use of Adams Anti-Crawl premise spray on all flooring, carpets, and bedding that are accessible to your pet.

Outdoor areas such as patios, lawns, porches, paths, and crawl spaces should be treated similarly with Adams Surface Spray to afford complete protection.

STORAGE AND DISPOSAL

STORAGE: Store in a cool, dry area away from heat and open flame. Do not contaminate water, food, or feed by storage or disposal. Do not transfer contents to other containers.

DISPOSAL: **If empty:** Do not reuse this container. Place in trash or offer for recycling if available. **If partly filled:** Call your local solid waste agency or 1-800-CLEANUP for disposal instructions. Never place unused product down any indoor or outdoor drain.
