

## UNITED STATES ENVIRONMENTAL PROTECTION AGENCY

JUN 18 1998

Mr. John B. Baker  
Pfizer Animal Health  
812 Springdale Drive  
Exton, PA 19341

Dear Mr. Baker:

Subject: Amendment- Master Label  
Adams Equine Residual Fly Mist/Wipe  
EPA Registration Number 37425-17  
Your submission dated September 4, 1997

This amendment referred to above, submitted in connection with registration under FIFRA section 3(c)(7)(a), is acceptable, provided that you:

1. Submit and/or cite all data or other material required for registration/reregistration of your product under FIFRA section 3(c)(5) or FIFRA section 4 when the Agency requires all registrants of similar products to submit such data.

2. Make the labeling changes listed below to be in compliance with PR Notice 96-6 (Pet Pesticide Product Label Statements):

a. Add to front panel, "READ ENTIRE LABEL BEFORE USE."  
"USE ONLY ON DOGS AND HORSES."

b. Revise the statement "Avoid treatment of nursing puppies, kittens and foals under 6 weeks of age unless prescribed by a veterinarian." to "Do Not Use on nursing puppies and foals under 12 weeks of age."

c. Add "Consult a veterinarian before using this product on debilitated, aged, pregnant, medicated or nursing animals." "Sensitivities may occur after using ANY pesticide product for pets. If signs of sensitivity occur bathe your pet with mild soap and rinse with large amounts of water. If signs continue, consult a veterinarian immediately."

CONCURRENCES							
SYMBOL							
SURNAME							
DATE							

3. On the front panel change "...TICKS INCLUDING IXODES DAMMINI THAT TRANSMIT LYME DISEASE AND LICE" to "...TICKS INCLUDING IXODES DAMMINI THAT MAY TRANSMIT LYME DISEASE AND LICE".

4. The precautionary statements must appear under the heading "Precautionary Statements, Hazards to Humans and Domestic Animals, Warning".

d. Revise the precautionary paragraph to read as follows:  
"Human: Causes substantial but temporary eye injury. Do not get in eyes or on clothing. Wear safety glasses. Harmful if absorbed through skin. Avoid contact with skin eyes or clothing. Wear waterproof gloves. Wash thoroughly with soap and water after handling. Remove contaminated clothing and wash before reuse. Do not contaminate foodstuffs. Do not smoke while using.

Animal: Do not get in eyes or mucous membranes. Do not use on cats. Do not use on horses intended for slaughter. Do Not Use on nursing puppies, and foals under 12 weeks of age. Consult a veterinarian before using this product on debilitated, aged, pregnant, medicated or nursing animals. "Sensitivities may occur after using ANY pesticide product for pets. If signs of sensitivity occur bathe your pet with mild soap and rinse with large amounts of water. If signs continue, consult a veterinarian immediately."

5. You may delete the If Swallowed statement of practical treatment. Delete "xxx if irritation persists" from the IF In Eyes statement.

6. Is the product "Sold Only Through Licensed Veterinarians"? If sold over the counter delete this statement or revise to "Sold Also Through Licensed Veterinarians".

Submit two (2) copies of your final printed labeling before you release the product for shipment.

If these conditions are not complied with, the registration will be subject to cancellation in accordance with FIFRA section 6(e). Your release for shipment of the product constitutes acceptance of these conditions.

A stamped copy of the label is enclosed for your records.

Sincerely,

George T. LaRocca  
Product Manager (13)  
Insecticide-Rodenticide Branch  
Registration Division (7505C)

**MASTER LABEL EPA REG. NO. 37425-17  
ADAMS EQUINE "RESIDUAL" FLY MIST/WIPE  
ADAMS TICK KILLER  
ADAMS FLY SPRAY AND REPELLENT  
THOROUGHFCARE FLY SPRAY AND REPELLENT**

**Hazards to Humans and Domestic Animals**  
**WARNING**

Contains two insecticide systems and two repellents for use on horses for immediate and residual control of face flies, stable flies, house flies, mosquitoes, gnats, mites, chiggers and lice.

**DIRECTIONS FOR USE**  
It is a violation of Federal law to use this product in a manner inconsistent with its labeling.

It is a violation of Federal law to use this product in a manner inconsistent with its labeling.

Thoroughly brush the horse's coat, prior to application, to remove loose dirt and debris. For dirty horses, and as a preparation for show grooming, clean the coat with a good cleansing shampoo. Wait until coat is completely dry before applying Adams Fly Spray and Repellent. Cover entire surface of animal with spray, but avoid getting product into horse's eyes or other sensitive areas such as mouth or nose. Brush coat against grain while spraying to insure adequate penetration of product. As a wipe, apply liberally with a clean cloth or sponge. Make sure spray has completely dried before covering with any tack. For initial treatment, apply ADAMS Fly Spray and Repellent daily for 2-3 days. As infestation subsides, repeat treatment every 5-10 days or as prescribed by a veterinarian. Also re-apply every time animal is washed or exposed to heavy rain.

Cover animal's eyes with hand and with a firm, fast stroke to get a proper spray net, spray head, ears and chest until damp. With fingertips, rub into face around mouth, nose and eyes. Next spray neck, middle and hindquarters, finishing legs last. For best penetration of spray to the skin, direct spray against the natural lay of the hair. On long haired dogs, rub your hand against the lay of the hair, spraying the ruffled hair directly behind the hand. Make sure spray thoroughly wets ticks. For initial treatment, ADAMS TICK KILLER daily for 2-3 days. As infestation subsides, repeat treatment every 5-10 days or as prescribed by a veterinarian. Also re-apply every time animal is washed or exposed to a heavy rain.

With LANOLIN, ALOE VERA and PABA SUNSCREEN  
For HORSES • FOALS • DOGS • PUPPIES  
REPELLENT SPRAY

CONTAINS TWO INSECTICIDE SYSTEMS AND TWO

EPA Est. No. 37425-FL-1      EPA Reg. No. 37425-17

Pfizer Animal Health  
Exton, PA 19341

Under the Federal Insecticide, Fungicide, and Rodenticide Act as amended, for the pesticide registered under EPA Reg. No.

37425-17

**HUMAN:** Do not get in eyes, on skin or clothing. May cause eye injury. Wear safety glasses or other appropriate eye protection. Harmful if swallowed. Avoid breathing vapors. Wash hands with soap and water after using. Do not contaminate foodstuffs. Remove contaminated clothing and wash before reuse. Do not smoke while using. If accidental contact occurs see Statement of Practical Treatment. Do not use on horses intended for food.

**ANIMAL:** Avoid contact with eyes or mucous membranes. Avoid treatment of nursing puppies, kittens and foals under 6 weeks of age unless prescribed by a veterinarian. Do not use on cats.

**PHYSICAL OR CHEMICAL HAZARDS:** Flammable. Keep away from heat and open flame. Contains alcohol. Do not apply to painted or finished wood surfaces.

**ENVIRONMENTAL HAZARDS:** This product is toxic to fish. Do not add directly to water. Do not apply where runoff is likely.

**IF SWALLOWED:** Call a physician or Poison Control Center. Drink 1 or 2 glasses of water and induce vomiting by touching back of throat with finger. Do not induce vomiting or give anything by mouth to an unconscious person.

**IF IN EYES:** Flush with plenty of water. Get medical attention if irritation persists.

**IF ON SKIN:** Wash with plenty of soap and water. Get medical attention if irritation persists.

**STORAGE:** Store in a cool, dry area away from heat or open flame. Do not contaminate water, food or feed by storage or disposal. Do not transfer contents to other containers.

**DISPOSAL:** Do not reuse empty container. Rinse thoroughly and wrap container in several layers of newspaper and discard in trash.

**Sold Only Through Licensed Veterinarians**
