USE ONLY ON DOGS AND HORSES

DIRECTIONS FOR USE

It is a violation of Federal law to use this
product in a manner inconsistent with its
labeling.

HORSES:

Thoroughly brush the horse's coat prior to
application to remove loose dirt and debris.
For dirty horses, and as a preparation for show
grooming, clean the coat with a good cleansing
shampoo. Wait until coat is completely dry
before applying Adams Fly Spray and
Repellent. Cover entire surface of animal with
spray, but avoid getting product into horse's
eyes or other sensitive areas such as mouth or
nose. Brush coat against grain while spraying
to insure adequate penetration of product. As
a wipe, apply liberally with a clean cloth or
sponge. Make sure spray has completely dried
before covering with any tack. For initial
treatment, apply Adams Fly Spray and
Repellent daily for 2-3 days. As infestation
subsides, repeat treatment every 5-10 days or
as prescribed by a veterinarian. Also reapply
every time animal is washed or exposed to a
heavy rain.

DOGS:

Cover animal's eyes with hand and with a
firm, fast, stroke to get a proper spray mist,
spray head, ears and chest until damp. With
fingertips, rub into face around mouth, nose
and eyes. Next spray neck, middle and
hindquarters, finishing legs last. For best
penetration of spray to the skin, direct spray

1/2

against the natural lay of the hair. On long haired dogs, rub your hand against the lay of the hair, spraying the ruffled hair directly behind the hand. Make sure spray thoroughly wets ticks. For initial treatment, apply Adams Tick Killer daily for 2-3 days. As infestation subsides, repeat treatment every 5 to 10 days or as prescribed by a veterinarian. Also reapply every time animal is washed or exposed to a heavy rain.

PRECAUTIONARY STATEMENTS

Hazards to Humans and Domestic Animals Warning

HUMAN: Causes substantial but temporary eye injury. Do not get in eyes or on clothing. Wear safety glasses. Harmful if absorbed through skin. Avoid contact with skin, eyes or clothing. Wear waterproof gloves. Wash thoroughly with soap and water after handling. Remove contaminated clothing and wash before reuse. Do not contaminate foodstuffs. Do not smoke while using.

ANIMAL: Do not get in eyes or mucous membranes. Do not use on cats. Do not use on horses intended for slaughter. Do not use on nursing puppies, and foals under 12 weeks of age. Consult a veterinarian before using this product on debilitated, aged, pregnant, medicated or nursing animals. Sensitivities may occur after using ANY pesticide product for pets. If signs of sensitivity occur bathe your pet with mild soap and rinse with large amounts of water. If signs continue, consult a veterinarian immediately.
