2,3,4,5 Bis(2-butylene) tetrahydro-	
2-furaldehyde.....	0.50%
** INERT INGREDIENTS.....	96.55%

Total..... 100.00%

\* Equivalent to .600% of butylcarbityl (6-propylpiperonyl) ether and .150% related compounds  
\*\* Inert ingredients include: Concentrated Aloe Vera Gel, Aloe Vera Extract, Natural Woolfat (Lanolin) and other grooming and cleansing agents.

## KEEP OUT OF REACH OF CHILDREN CAUTION

See side Panel For Additional Precautionary Statements

EPA Est. No. 37425-FL-1 EPA Reg. No. 37425-18

NET CONTENTS 12 fl oz./473 ml.

## CATS

Remove safety cap and insert sprayer. Cover animal's eyes with hand and with a firm, fast stroke to get a proper spray mist, spray head, ears and chest until damp. With fingertips, rub into face around mouth, nose and eyes. Next spray neck, middle and hindquarters, finishing legs last. For best penetration of spray to the skin, direct spray against the natural lay of the hair. On long-haired cats, rub your hand against the lay of the hair, spraying the ruffled hair directly behind the hand. Make sure spray thoroughly wets ticks. Allow FELIDERM MIST™ to remain on animal for 5 minutes then towel dry, brush and comb to remove dead fleas and ticks. Repeat treatment as needed.

## KITTENS

Treat same as adult cats, spray only along back or on your finger tips and rub in with your finger tips. See precautionary statement for nursing kittens.

## STORAGE AND DISPOSAL

**STORAGE:** Keep contents in original container. Store in a cool, dry area away from heat or open flame.

**DISPOSAL:** Do not re-use container. Wrap empty container in newspaper and discard in trash.
