CAUTION

See Side Panel for Precautionary Statements
 EPA Est. No. 37425-FL-1 EPA Reg. No. 37425-18
 Net Contents 16 fl. oz./473 ml

SmithKline Beecham Animal Health
 West Chester, PA 19380

Directions For Use (continued):

around mouth, nose and eyes. Next spray neck, middle and hind-quarters, finishing legs last. For best penetration of spray to the skin, direct spray against the natural lay of the hair. On long haired cats, rub your hand against the lay of the hair, spraying the ruffled hair directly behind the hand. Make sure spray thoroughly wets ticks. Allow ADAMS FELIDERM MIST to remain on animal for 5 minutes then towel dry, brush and comb to remove dead fleas and ticks. Repeat treatment as needed.

KITTENS

Treat same as adult cats. Spray only along back or on your fingertips and rub in with your fingertips. See precautionary statements for nursing kittens.

STORAGE AND DISPOSAL

STORAGE: Store in a cool, dry area away from heat and open flame. Do not contaminate water, food or feed by storage or disposal. Do not transfer contents to other containers.

DISPOSAL: Do not reuse empty container. Rinse thoroughly and wrap container in several layers of newspaper and discard in trash.

Sold Only Through Licensed Veterinarians
