## PRECAUTIONARY STATEMENTS

Hazards to Humans and Domestic Animals  
**CAUTION**

**HUMAN:** Harmful if swallowed or inhaled.  
Avoid breathing mist. Avoid contamination of  
food. Wash hands with soap and water after using.  
**ANIMALS:** Do not use on animals under 12  
weeks. Consult a veterinarian before using this  
product on debilitated, aged, pregnant or nursing  
animals, or animals on medication. Sensitivities  
may occur after using ANY pesticide product for  
pets. If signs of sensitivity occur bathe your pet  
with mild soap and rinse with large amounts of  
water. If signs continue, consult a veterinarian  
immediately.

FIRST AID	
<b>IF SWALLOWED</b>	<ul style="list-style-type: none"><li>• Call a poison control center or doctor immediately for treatment advice.</li><li>• Have person sip a glass of water if able to swallow.</li><li>• Do not induce vomiting unless told to do so by the poison control center or doctor.</li><li>• Do not give anything by mouth to an unconscious person.</li></ul>
<b>IF INHALED</b>	<ul style="list-style-type: none"><li>• Move person to fresh air.</li><li>• If person is not breathing, call 911 or an ambulance, then</li></ul>

give artificial  
respiration, preferably  
by mouth-to-mouth, if  
possible.  
• Call a poison control  
center or doctor for  
further treatment  
advice.

## HOT LINE NUMBER

Have the product container or label with you when  
calling a poison control center or doctor, or going  
for treatment. You may also contact 1-877-757-  
4943 for emergency treatment information.

## DIRECTIONS FOR USE

It is a violation of Federal Law to use this product  
in a manner inconsistent with its labeling.

**SHAKE WELL BEFORE USE. USE ONLY IN  
A WELL VENTILATED AREA.**

## DOGS, PUPPIES, CATS, KITTENS:

Cover animal's eyes with hand and with a firm,  
fast stroke to get a proper spray mist, spray head,  
ears and chest until damp. With fingertips, rub  
into face and around mouth, nose and eyes. Next  
spray neck, middle and hindquarters, finishing  
legs last. For best penetration of spray to the skin,  
direct spray against the natural lay of the hair. On  
long haired animals, rub your hand against the lay  
of the hair, spraying the ruffled hair directly  
behind the hand. Make sure spray thoroughly wets  
ticks. Allow ADAMS WATERBASED FLEA &  
TICK MIST to remain on animal for 5 minutes  
then towel dry, brush and comb to remove dead  
fleas and ticks. Do not reapply product for one  
week. For a complete flea and tick control  
program consult your veterinarian.
