Subject: Label Amendment - Updating per PR Notice 96-6, PR Notice 2001-1 & PR Notice 2001-6
Adams 14 Day Flea Dip
EPA Reg. No. 37425-22
Your Submission Dated September 18, 2003

Dear Mr. Washburn:

The labeling referred to above, submitted in connection with registration under the Federal Insecticide, Fungicide, and Rodenticide Act, as amended, is acceptable subject to the comments listed below. Two (2) copies of the finished labeling must be submitted prior to releasing the product for shipment. A stamped copy of the label is enclosed for your records.

1. Revise the Precautionary Statements as follows:
 - a. Replace "Causes eye injury" with "Causes irreversible eye damage".
 - b. Add "Avoid contact with skin." after "Harmful if swallowed or absorbed through the skin".
 - c. Replace "Wash thoroughly with soap and water after handling." with "Wash thoroughly with soap and water after handling and before eating, drinking, chewing gum, or using tobacco."

2. Under the Environmental Hazards statement add to the beginning of the paragraph "This product is toxic to fish and other aquatic organisms."
3. Add "Contains petroleum distillate" under the Ingredients statement.
4. Under the Ingredients Statement, replace "Inert Ingredients" with "Other Ingredients"

If you have any questions regarding this action, please contact BeWanda Alexander of my team at (703) 305-7460.

Sincerely,

A handwritten signature in black ink, appearing to read "George T. LaRocca", written over the typed name.

HOT LINE NUMBER

Have the product container or label with you
when calling a poison control center or doctor, or
going for treatment. You may also contact 1-
877-757-4943 for emergency medical
information.

NOTE TO PHYSICIAN

Probable mucosal damage may contraindicate the
use of gastric lavage.
Contains petroleum distillate - vomiting may
cause aspiration pneumonia.

ENVIRONMENTAL HAZARDS

Do not apply directly to any body of water. Do
not contaminate water when disposing of
equipment wash waters.

DIRECTIONS FOR USE

It is a violation of Federal law to use this
product in a manner inconsistent with its
labeling.

SHAKE WELL BEFORE EACH USE

DOGS: Avoid contact with eyes or mucous
membranes. To kill fleas, ticks and lice
thoroughly mix one ounce (2 tablespoons) of
ADAMS 14 DAY FLEA DIP with 1 gallon of
warm water. For outdoor dogs in areas of
severe infestations 2 oz. (4 tablespoons) may be
used.

If dog's coat is dirty, bathe first with Adams
Flea and Tick Shampoo. Dip should be applied
to dry or damp (not wet) coat. Dip dog with
diluted ADAMS 14 DAY FLEA DIP making
sure all areas are soaked to the skin. Let drip
dry on dog. **DO NOT RINSE OFF!** Do not
reapply product for 14 days against fleas and 4
days against ticks.

Do not use on puppies less than 12 weeks old.
Consult a veterinarian before using this product
on debilitated, aged, medicated, pregnant or
nursing animals. Sensitivities may occur after
using ANY pesticide product for pets. If signs
of sensitivity occur bathe your pet with mild
soap and rinse with large amounts of water. If
signs continue, consult a veterinarian
immediately.

3/4

DOG'S ENVIRONMENT:

For comprehensive control of fleas, ticks, and biting flies it is essential to control both eggs and larvae, which occur both indoors and outdoors. To control fleas and ticks on dog premises, use Adams Surface Spray or other EPA registered insecticide premise spray.

STORAGE AND DISPOSAL

Do not contaminate water, food or feed by storage or disposal.

STORAGE: Store in a cool, dry area away from heat and open flame. Do not transfer contents to other containers.

DISPOSAL: **If empty:** Do not reuse this container. Place in trash or offer for recycling if available. **If partly filled:** Call your local solid waste agency or 1-800-CLEANUP for disposal instructions. Never place unused product down any indoor or outdoor drain.

In case of emergency, or for product use information call: (Phone number and hours of operation may vary)
