USE ONLY ON DOGS, PUPPIES, CATS AND KITTENS

PRECAUTIONARY STATEMENTS

Hazards to Humans and Domestic Animals

WARNING

HUMAN: Causes substantial but temporary eye injury. Harmful if swallowed or absorbed through skin. Do not get in eyes or on clothing. Avoid contact with skin. Wash thoroughly with soap and water after handling. Remove contaminated clothing and wash before reuse.

ANIMAL: Consult a veterinarian before using this product on debilitated, aged, medicated, pregnant, nursing animals or animals under 12 weeks of age. Do not oversaturate, especially on cats. Avoid spraying of genital areas. Sensitivities may occur after using ANY pesticide product for pets. If signs of sensitivity occur, bathe your pet with mild soap and rinse with large amounts of water. If signs continue, consult a veterinarian immediately.

ENVIRONMENTAL HAZARDS: This product is toxic to fish. Do not add directly to water. Do not apply where runoff is likely to occur.

PHYSICAL OR CHEMICAL HAZARDS: FLAMMABLE.

Keep away from heat and open flame. Contains alcohol. Do not apply to painted or finished wood surfaces.

DIRECTIONS FOR USE

It is a violation of Federal law to use this product in a manner inconsistent with its labeling.

Use Only in a Well Ventilated Area

DOGS AND CATS

Cover animal's eyes with hand and with a firm, fast stroke to get a proper spray mist, spray head, ears and chest until damp. With fingertips, rub into face around mouth, nose and eyes. Then spray neck, middle and hindquarters, finishing legs last. For best penetration of spray to the skin, direct spray against the natural lay of the hair. On long-haired dogs, rub your hand against the lay of the hair, spraying the ruffled hair directly behind the hand. Make sure spray thoroughly wets ticks.

Reapply every 3 weeks.

FIRST AID

IF IN EYES: Call Physician. Flush eyes with gentle stream of water for 15 minutes.

IF SWALLOWED: Call Physician or Poison Control Center. Drink promptly a large quantity of milk, egg white, or gelatin mixture, or if these are unavailable, a large quantity of water.

IF ON SKIN: Wash with plenty of soap and water. Get medical attention if irritation persists.

STORAGE AND DISPOSAL

STORAGE: Store in a cool, dry area away from heat and open flame.

DISPOSAL: Do not reuse container. Rinse thoroughly and wrap container in several layers of newspaper and discard in trash.
