INSIST ON MASTER BRAND PRODUCTS

MASTER BRAND LIVESTOCK SPRAY is a powerful, long-lasting, effective and economical insecticide for **LICE ON BEEF CATTLE**, **LICE ON HOGS**

LICE ON HOGS: Use 1 to 2 gallons of water. Apply a complete coverage spray to the hogs and the same treatment may be repeated. Repeat application only as needed. Avoid contact with feed, food containers and watering troughs.

HORN FLIES ON BEEF CATTLE: Use 1 to 2 gallons per 100 gallons of water. Apply a complete coverage of spray. Repeat application at 2 week intervals if needed.

LICE ON BEEF CATTLE: Use 1 gallon per 100 gallons of water. Apply a complete coverage of spray. One application may be sufficient, repeat application only as needed.

TICKS ON BEEF CATTLE: Use 1 to 2 gallons per 100 gallons of water. Apply a complete coverage of spray. Repeat application at 2 week intervals if needed.

**DO NOT APPLY SPRAY TO LACTATING DAIRY CATTLE
DO NOT TREAT CALVES UNDER ONE MONTH OF AGE**

BACK RUBBING DEVICES: Use 1 to 2 gallons of water. Apply a complete coverage of spray. Repeat application at 2 to 3 weeks.

DO NOT APPLY TO LACTATING DAIRY ANIMALS

Malathion is a contact insecticide. It is highly effective against lice and ticks. Avoid repeated or prolonged contact with the animal's skin. Avoid contamination of feed and watering troughs. Keep animals away from treated areas and away from heat and flame.

Malathion is a restricted pesticide. Use only close Cholinesterase inhibition. ATROPINE IS AN ANTIDOTE.

The composition of this insecticide is given here. It is comparable with analysis statement given on this label. The use of this material in any other way than as a hedge and control, we disclaim all responsibility for the effects of its use, whether or not it is in accordance with directions or so claimed to be.
