

**PRECAUTIONARY STATEMENTS  
HAZARDS TO HUMANS & DOMESTIC ANIMALS  
CAUTION**

Harmful if swallowed. Avoid contamination of feed and foodstuffs. Avoid inhalation and skin contacts. Wash thoroughly after using. Do not use on household pets or humans.

Do not allow children in treated areas until surfaces are dry.

**ENVIRONMENTAL HAZARDS**

This product is toxic to fish and wildlife. Birds feeding on treated areas may be killed. Keep out of lakes, streams or ponds. Apply this product only as specified on this label. Do not reuse empty container. Destroy by perforating or crushing and burying in a safe place, or return to drum reconditioner. Do not contaminate water by cleaning of equipment or disposal of wastes.

**PHYSICAL OR CHEMICAL HAZARDS**

Do not use, pour, spill, or store near heat or open flame.

**STORAGE AND DISPOSAL**

**1. PROHIBITIONS**

Do not contaminate water, food or feed by storage or disposal. Open dumping is prohibited. Do not reuse empty container.

**2. PESTICIDE DISPOSAL**

Pesticide spray mixture or rinsate that cannot be used or chemically reprocessed should be disposed of in a landfill approved for pesticides or buried in a safe place away from water supplies.

**3. CONTAINER DISPOSAL**

Triple rinse (or equivalent) and dispose in an incinerator or landfill approved for pesticide containers, or bury in a safe place.

**4. GENERAL**

Consult federal, state or local disposal authorities for approved alternative procedures such as limited open burning.

**WARRANTY**

Our recommendations for use of this product are based upon tests believed to be reliable. The use of this product being beyond the control of the manufacturer, no guarantee, expressed or implied, is made as to the effects of such use. Results to be obtained if not used in accordance with directions or established safe practice. The buyer must assume all responsibility, including injury or damage resulting from its misuse, such as in combination with other materials. Statements concerning the use of these products are not to be construed as recommending the infringement arising out of any such use is assumed.

### CONDITIONS FOR USE

It is a violation of Federal law to use this product in a manner inconsistent with its labeling.

**SERVING AREAS** - Facilities where foods are served such as dining rooms, but excluding areas where foods may be prepared or held, apply as a spot treatment to selective surfaces, such as baseboards, under elements of construction and into cracks and crevices. Avoid treating surfaces likely to be contacted by food. (Do not apply when facility is in operation or foods are exposed.)

Do not use in edible products, areas of food processing plants, restaurants, or other areas where food is commercially prepared or processed. Do not use in serving areas while food is exposed.

**NON-FOOD AREAS** - To control roaches, ants, waterbugs, apply as a spot treatment to areas including garbage rooms, lavatories, floor drains (to sewers), entries and vestibules, offices, locker rooms, machine rooms, boiler rooms, garages, mop closets and storage (after canning or bottling). Apply to baseboard areas, around water pipes, surfaces behind and beneath sinks, lockers, tables, pallets and similar areas where insects hide or through which they may enter. Repeat treatment as required.

**CARPET BEETLES** - Spray edges of carpeting and under carpeting and rugs. Make localized application to the floor and baseboards. Spray directly into cracks, closets and infested areas of shelving. Repeat as necessary.

**BROWN DOG TICKS** - Thoroughly spray sleeping quarters of animals. Spray infested areas around baseboards, windows and door frames, wall coverings. Applications should be repeated as necessary. Fresh bedding should be placed in animal quarters following treatment. **DO NOT TREAT ANIMALS WITH FORMULATION**

**FLIES, MOSQUITOES, WASPS AND SMALL FLYING MOTHS OUTDOORS** - For outdoor use only as aid in reducing annoyance from these insects. Spray outside surfaces of screens, doors, window frames or wherever these insects may enter the room. Also treat surfaces around light fixtures on porches, in garages and other places where these insects alight or congregate.

**FLEAS, CHIGGERS, ANTS OUTDOORS** - For treatment of localized infestations of these insects in outdoor areas. Spray weeds and bushy non-crop areas around the home thoroughly. Avoid spraying desirable plants. For ants, thoroughly wet hills and runways. Repeat applications as infestations warrant and as reinfestations occur.
