

**DIRECTIONS FOR USE**  
General Classification

It is a violation of Federal Law to use this product in a manner inconsistent with its labeling.

This detergent/disinfectant has been designed specifically for hospitals, offices, motels, nursing homes, schools, food processing plants and other institutions where housekeeping is of prime importance.

**DISINFECTION** To disinfect hard inanimate surfaces (such as walls, floors, table tops) apply solution with mop, cloth, sponge or brush. Allow spray to wet all surfaces thoroughly. Allow to stand for 10 minutes and then flush dry.

**DILUTION RATIO** General Disinfection: add 4.5 ounces this product per gallon of water. Hospital Disinfection: add 6 ounces this product per gallon of water.

To disinfect toilet bowls, flush toilet, add 4.5 ounces this detergent/disinfectant directly to the bowl water. Swab the bowl completely using a scrub brush or toilet mop, making sure to get under the rim. Let stand for 10 minutes and flush.

For heavily soiled areas, a pre-cleaning step is required and recommended. Prepare a fresh solution for each use.

**MILDEWSTAT** To control mold and mildew on hard non porous surfaces (such as floors, walls, table tops) clean surfaces then add 4.5 ounces this product per gallon of water. Apply with a cloth, mop or sponge to surfaces to be treated making sure to wet thoroughly. Let air dry. Prepare a fresh solution for each use. Repeat application at weekly intervals or when mildew growth reappears.

**PRECAUTIONARY STATEMENTS**  
Hazard to Human and Domestic Animals

**WARNING**

Keep Out of Reach of Children. Causes eye and skin irritation. Do not get in eyes, skin or on clothing. Harmful if swallowed.

**STATEMENT OF PRACTICAL TREATMENT**

In case of contact, immediately flush eyes or skin with plenty of water for at least 15 minutes. For eyes, call a physician. Remove and wash all contaminated clothing before reuse. If swallowed, drink milk, egg whites, gelatin solution or if these are not available, drink large quantities of water. Call a physician.

**NOTE TO PHYSICIAN**

Probable mucosal damage may contraindicate the use of gastric lavage. Measures against circulatory shock, respiratory depression and convulsion may be needed.

**BEST DOCUMENT AVAILABLE**

This product is a heavy duty cleanser/disinfectant and sanitizer designed for general household use: schools, motels, offices, kitchens, food processing plants and light industrial and hospital applications where heavy duty cleaning is of prime importance. When used as directed, this product is formulated to disinfect inanimate hard surfaces (such as walls, floors, sink tops, toilet bowls, tables, chairs and telephones). For larger areas, such as patient care facilities and restrooms, the product is designed to provide both heavy duty cleaning and disinfecting. This product is designed to aid in controlling the hazard of cross contamination in areas where heavy duty cleaning is necessary.

When used as directed, this product will remove most household dirt in a single simple application.

In addition, this product deodorizes those areas which generally are hard to keep fresh smelling, such as garbage storage areas, empty garbage bins and cans, toilet bowls and any other areas which are prone to odors caused by micro-organisms.

**DISINFECTION** At 4.5 ounces per gallon dilution, this product exhibits effective disinfectant activity against the organisms *Salmonella choleraesuis*, *Staphylococcus aureus*, and *E. Coli*.

At this level the product is also fungicidal against the Pathogenic fungi, *Tricophyton mentagrophytes*.

At 6 ounces per gallon dilution, this product is an effective hospital disinfectant and demonstrates disinfectant activity against *Pseudomonas aeruginosa*.

Efficacy tests have demonstrated that this product is an effective bactericide, and fungicide, in the presence of organic soil (5% blood serum).

**Mold and Mildewstat** - This product prevents and controls mold and mildew and the odors they cause on hard non-porous inanimate surfaces at 2 ounces per gallon dilution.

**STORAGE AND DISPOSAL**

**PROHIBITIONS** - Do not contaminate water, food, or feed by storage or disposal. Open dumping is prohibited. Do not reuse empty container.

**PESTICIDE DISPOSAL** - Pesticide, spray mixture, or residue that cannot be used or chemically reprocessed should be disposed of in a landfill approved for pesticides or buried in a safe place away from water supplies.

**CONTAINER DISPOSAL** - Recycle container and offer for reconditioning or triple rinse (or equivalent) and offer for recycling, reconditioning or disposal in a landfill approved for pesticide containers, or bury in a safe place.

**GENERAL** - Consult federal, state or local disposal authorities for approved alternative procedures such as limited open burning.
