- Store in areas where material from damaged or leaking containers will be contained.
- Place leaking containers in sealed metal containers and contact DYCO or your local DER Representative.
- Do not store in direct sunlight or near hot or open flame.
- Reseal partially depleted containers carefully.
- Do not contaminate water, food, or feed by storage or disposal.
- Pesticide wastes are toxic. Improper disposal of excess pesticide, spray mixture or rinsate is a violation of Federal Law. If these wastes cannot be disposed of by user according to label instructions, contact your State Pesticide or Environmental Control Agency, or the Hazardous Waste representative at the nearest EPA Regional office for guidance.
- Container Disposal- Triple rinse (or equivalent), then offer for recycling or reconditioning, or puncture and dispose of in a sanitary landfill, or by other procedures approved by state and local authorities.
