

**PRECAUTIONAL STATEMENTS  
HAZARDS TO HUMANS  
AND DOMESTIC ANIMALS**

**DANGER**

Highly corrosive. Causes skin and eye damage. May be fatal if swallowed. Do not get in eyes, on skin or on clothing. Wear goggles or face shield and rubber gloves when handling. Irritating to nose and throat. Avoid breathing dust. Remove and wash contaminated clothing before reuse.

**ENVIRONMENTAL HAZARDS:** This product is toxic to fish. Do not discharge into lakes, streams, or ponds, or public waters unless in accordance with a NPDES Permit. For guidance contact the regional office of the

**PHYSICAL AND CHEMICAL HAZARDS, STRONG OXIDIZING AGENT:** Mix only with water. Use clean, dry utensils. Do not add this product to any dispensing device containing remnants of any other product. Such use may cause a violent reaction leading to fire or explosion. Contamination with moisture, organic matter, or other chemicals may start a chemical reaction, with generation of heat, liberation of hazardous gases, and possible generation of fire and explosion. In case of contamination or decomposition, do not reseal container. If possible, isolate container in open air or well ventilated area. Flood with large volumes of water, if necessary.

**STORAGE AND DISPOSAL:** Keep product dry in tightly closed container when not in use. Store in a cool, dry, well ventilated area away from heat and open flame. In case of decomposition, isolate container, if possible. Flood with large amounts of water to dissolve all material before discarding. Place in trash collection or dispose of in an approved landfill area, or bury in a safe place.

**PURECHLOR  
CHLORINATING  
CARTRIDGE 82**

**KILLS ALGAE AND BACTERIA IN  
SWIMMING POOLS**

Active ingredient: Trichloro-s-triazinetron. . . . . 81%

Inert ingredients: . . . . . 19%

Available chlorine: . . . . . 73%

Weight per Tablet = 14 grams

EPA REG NO. 37982-8

**KEEP OUT OF REACH OF  
CHILDREN  
DANGER!**

**Practical treatment (First aid):**

If swallowed, feed bread soaked in milk followed by olive or cooking oil. Call a physician immediately. If on skin, brush off excess chemical and flush skin with cold water for at least 15 minutes. If irritation persists, get medical attention. If in eyes, flush with cold water for at least 15 minutes. Get medical attention.

See additional precautions on side panels of this label

**NET: 4 Lbs. (1.82Kg)**

**Directions For Use**

It is a violation of Federal Law to use this pesticide in a manner inconsistent with its labeling.

Purechlor Chlorinating cartridge may be used as a refill for most automatic chlorinators and floating rings.

4 tablets will provide a residual chlorine of 1.0 ppm in 11,000 gallons of pool water. The cartridge will last 2 1/2-5 weeks, depending upon the number of swimmers temperature, etc.

Maintain pH between 7.2-7.6. Soda ash, sodium sesquicarbonate, and similar products raise pH. Muriatic & sulfuric acids reduce pH, as does sodium bisulfate. See directions on the labels of these products.

Keep chlorine residual between 1.5-3.0. Adjust feed rate of cartridge as necessary by turning cartridge up or down to maintain this residual. Use a reliable test kit with fresh chemicals for pH and chlorine residual testing.

Superchlorination is desirable every 7-10 days during the swimming season and after heavy use, wind storms, dust storms, rain, contamination from fertilizer, etc. A liquid or granular chlorinating product should be used for superchlorination. See directions on the label of these products.

Chlorination is most economical in stabilized pools. See use directions on ALL PURE CHLORINE STABILIZER or on similar products.

Read the entire label before using this product. All Pure Chemical Co., Inc. warrants that this product is reasonably fit for the use intended and that it contains the ingredient on the label in the specified amount. Since use conditions are beyond the control of All Pure Chemical Co., our liability is limited to replacement of the cartridge or refund of the purchase price. No one, except an officer of All Pure Chemical Co., may change any directions on this label or make warranties of any kind.
