NOTE: Changes in labeling formula differing in substance from that accepted in connection with this registration must be submitted to and accepted by the Registration Division prior to use of the label in commerce. In any correspondence on this product always refer to the above U.S. EPA registration number.

On the basis of information furnished by the registrant, the above named pesticide is hereby Registered/Reregistered under the Federal Insecticide, Fungicide, and Rodenticide Act.

A copy of the labeling accepted in connection with this Registration/Reregistration is returned herewith.

Registration is in no way to be construed as an endorsement or approval of this product by this Agency. In order to protect health and the environment, the Administrator on his motion, may at any time suspend or cancel the registration of a pesticide in accordance with the Act. The acceptance of any name in connection with the registration of a product under this Act is not to be construed as giving the registrant a right to exclusive use of the name or to its use if it has been covered by others.

This product is conditionally registered in accordance with FIFRA Sec. 3(c)(7)(A) provided that you:

1. Submit and/or cite all data required for registration/reregistration of your product under FIFRA sec. 3(c)(5) when the Agency requires all registrants of similar products to submit such data.
2. Add the phrase "EPA Registration No. 37982-30" to your label before you release the product for shipment.
3. Submit five (5) copies of your final printed labeling before you release the product for shipment. Refer to the A-79 Enclosure for a further description of final printed labeling.

If these conditions are not complied with, the registration will be subject to cancellation in accordance with FIFRA sec. 3(e). Your release for shipment of the product constitutes acceptance of these conditions.

A stamped copy of the label is enclosed for your records.

PRECAUTIONARY STATEMENTS

HAZARDS TO HUMANS AND DOMESTIC ANIMALS

CAUTION: Harmful if swallowed. Avoid breathing vapors. Avoid contact with skin, eyes, or clothing.

FIRST AID: If swallowed, drink promptly a large quantity of milk, egg whites, gelatin solution, or, if these are not available, drink large quantities of water. Avoid alcohol. Call a physician immediately.

ENVIRONMENTAL HAZARDS: This pesticide is toxic to fish. Keep out of lakes, streams, or ponds. Permits may be required for discharges containing this pesticide into lakes, streams, ponds, or public water. For guidance, contact the regional office of the Environmental Protection Agency.

DIRECTIONS FOR  
GENERAL CLASSIFICATION

It is a violation of Federal law to use this product in a manner inconsistent with its labeling.

All Pure Spa Algaecide is used in swimming pools, exterior spas, whirlpools, hot tubs, and indoor effectiveness pools, spas, whirlpools, hot tubs, and hot tubs. Heavy growth of algae should be cleaned prior to using All Pure Spa Algaecide. For pools having just visible algae growth add an initial dose of 41 fluid ounces of All Pure Spa Algaecide per 10,000 gallons of water. Subsequent additions of 75 fluid ounces of All Pure Spa Algaecide per 10,000 gallons of water should be made every 7 days after initial treatment for maintenance.

Spas, whirlpools, hot tubs, and decorative fountains require an initial dose of 8 to 12 fluid ounces per 1000 gallons of water. For treatment of a freshly installed hot tub, or decorative fountain, add initially 4 fluid ounces of All Pure Spa Algaecide per 1,000 gallons of water. Subsequent additions of 1 to 3 fluid ounces of All Pure Spa Algaecide should be made every 5 to 7 days after initial treatment. All Pure Spa Algaecide is compatible with chlorine. It can be used to treat pools, spas, and decorative fountains with an alkaline pH. All Pure Spa Algaecide is compatible with decorative fountains treated with chlorine chemicals and other chemicals normally required. However, do not mix All Pure Spa Algaecide with concentrated dry or liquid chlorine products.

STORAGE AND DISPOSAL

STORAGE: Keep container closed when not in use. Containers should be placed in a plastic bag and disposed of with clear water. All pesticides should be kept out of reach of children and away from food.

DISPOSAL: Do not reuse empty container. Wipe out container with water.
