Pg. 2 of 2

#### CAUTION

This product may cause skin irritation. Avoid inhaling spray mist. Harmful if swallowed. Avoid contact with the eyes, skin or clothing. Flush eyes with clear water and get prompt medical attention.

DO NOT apply this product to susceptible broadleaved plants that are desirable as cotton, soybean, tomatoes, grapes, citrus or ornamentals. Excessive amounts of this product in the soil may temporarily inhibit seed germination and all plant growth.

Minute quantities may cause severe injury by drift or vaporization. Avoid contact with susceptible plants which is likely to occur during application or when containing an ester of the volatility of this product where the spreading of vapors can damage nearby plants.

DO NOT contaminate water, irrigation ditches or water used for drinking purposes.

DO NOT contaminate water by cleaning of equipment or disposal in water. Apply this product only as specified on this label.

Users should note that herbicide treatment of public waters requires a permit from appropriate state agencies in most states. In State of Tennessee, Department of Game and Fish Commission will issue a permit, if required, in accordance with the law.

DO NOT store this product near fertilizers, seeds, insecticides or fungicides.

DO NOT contaminate food or feedstuffs.

DO NOT spray equipment contaminated with this product on other crops.

DO NOT apply insecticides, fungicides or other agricultural chemicals to the same area as this herbicide.

DO NOT reuse empty containers. Return to farm or conditioner for recycling or disposal. Do not reuse for other purposes.

#### WARRANTY

VERTAC warrants that this herbicide conforms to the chemical specifications stated on this label. It is not warranted for use on any crop or plant not specified on this label. It is not warranted for use in any area where weather and other conditions are not within the control of VERTAC.
