DIRECTIONS FOR USE

It is a violation of federal law to use this product in a manner inconsistent with its labeling.

NOTE: This product degrades with age. Use a chlorine test kit and increase dosage, as necessary, to obtain the required level of available chlorine.

STORAGE AND DISPOSAL

Store this product in a cool dry area, away from direct sunlight and heat to avoid deterioration. In case of spill, flood areas with large quantities of water. Product or rinsates that cannot be used should be diluted with water before disposal in a sanitary sewer. Do not reuse container but place in trash collection. Do not contaminate food or feed by storage, disposal or cleaning of equipment.

MANUFACTURING-USE ONLY

For manufacturing-use only in the formulation of end-use products intended as:

- sanitizers of surfaces (e.g. wooden butcher blocks, stainless steel tops, concrete floors, tile walls); or
- sanitizers of commercial and household laundry; or
- agents to wash or assist in lye peeling of fruits and vegetables; or
- agents to help control microorganisms on eggs for human consumption; or
- disinfectants of poultry drinking water; or
- disinfectants of human drinking water (emergency/public/individual), swimming pool water, Hubbard/immersion tank water, spas/hot tub, hydrotherapy pools, human drinking water systems (e.g. water mains); or
- disinfectants of nonporous hard surfaces (e.g. tile, glass, stainless steel, fiberglass); or
- agents to help control microorganisms in sewage, wastewater, industrial and pulp and paper process water systems; or
- algicides/slimicides in cooling towers or evaporative condensers; or
- sanitizers of dialysis machines; or
- sanitizers of toilet bowls; or
- agents to help control algae and bacteria in fish and lobster ponds/tanks and conditioning systems; or
- agents to help control slime on boat bottoms; or
- agents to sanitize and danderize artificial sand beaches; or
- agents to kill scavenger fish in fish hatchery ponds.

Formulators and resellers of this product must obtain their own registrations from the Environmental Protection Agency.
