Chlorpyrifos	0.0010%
Petroleum distillate	99.8980%
Aromatic petroleum distillate	0.0010%

INERT INGREDIENTS

Propylene glycol	0.0010%
Water	0.0010%
Other inert ingredients	99.9980%

STORAGE AND DISPOSAL
Storage: Store in a cool dry area away from heat and open flame.
Disposal: Triple rinse (or equivalent) and offer for recycling or reconditioning, or dispose of in a sanitary landfill, or by other approved state and local procedures.

General: See label for use. Spray away from people, plants and pets. Do not use as a spot spray. Use only for spot treatment.
To Kill Ants, Roaches, Crickets, Silverfish, Sowbugs, Spiders and Fleas: Spray into cracks, crevices, around baseboards and other places where these insects hide. Apply behind and under cabinets, refrigerators, sinks, stoves, and in and around waste containers. Contact directly as many insects as possible. For ants, spray trails and places where ants enter premises, repeat as necessary for control.
To Kill Brown Dog Ticks and Fleas: Old bedding of pets should be removed and replaced with clean, fresh bedding after treatment of pet areas. Additionally, treat pets with an EPA approved product registered for direct application to pets.
To Kill Carpet Beetles and Dermestids: Spray along baseboards, edges of carpeting, under furniture, in closets, under lamp and radiator shades of harborage areas, etc. as necessary.
