Precautionary Statements

Hazards to Humans and Domestic Animals

### CAUTION

Harmful if swallowed. Avoid inhalation of vapors. Avoid contact with skin and eyes. Wash contaminated skin promptly with soap and warm water. For eyes, flush with plenty of water. Get medical attention if irritation persists.

Do not use in commercial food processing, preparation, serving or storage areas. In the home all food processing surfaces and utensils should be covered during treatment or thoroughly washed before use. Cover exposed food.

Remove pets, birds and cover fish aquariums before spraying.

**Physical Hazards**  
**EXTREMELY FLAMMABLE.** Do not use or store near fire, sparks, or heated surfaces. Turn off pilot lights in gas appliances and smoking or turn off electrical equipment in the use area. After using, shut phase is completed, relight pilot lights and reconnect electrical circuit. Do not smoke in the use area. Contains under pressure. Do not puncture or incinerate container. Exposure to temperatures above 130°F may cause bursting. Incineration of container may cause explosion.

**STORAGE AND DISPOSAL**

**STORAGE:** Store in a cool area away from heat or open flame.

**DISPOSAL:** Do not reuse empty container. Wrap container and put in trash collection.

**STATEMENT OF PRACTICAL TREATMENT**

**If Swallowed:** Contact a physician or Poison Control Center. Do not induce vomiting unless directed by a physician. This product contains a high amount of petroleum distillate. Vomiting may cause aspiration pneumonia.

**If Inhaled:** Removed affected person to fresh air. Apply artificial respiration if indicated.

**If in Eyes or on Skin:** Flush with plenty of water. Contact a physician if irritation persists.

**ENVIRONMENTAL HAZARDS**

This product is toxic to fish. Do not apply directly to water. Do not contaminate water by cleaning of equipment or disposal of wastes. Apply this product only as specified on this label. Buyer assumes all risks of use, storage or handling of this material not in strict accordance with directions given herewith.

**FOR CONTROL OF WASPS AND HORNETS:** It is preferable to apply this product after dark when all the insects have returned to the nest. Aim valve opening at the nest and depress button, continuing to spray until the nest is soaked with the spray. Repeat as necessary.
