KEEP OUT OF REACH OF CHILDREN

### CAUTION

#### STATEMENT OF PRACTICAL TREATMENT

**INGESTION:** Drink plenty of water, induce vomiting by sticking finger down throat. Never give anything to drink to an unconscious person.

**EYES:** Flush eyes immediately with plenty of water. If irritation develops contact a physician.

**SKIN:** Wash thoroughly with soap and water. If irritation develops contact a physician.

**INHALATION:** Remove person to fresh air.

Norwalk, CT 06856-5100  
(203)-847-1191

## FOR REFORMULATING AND/OR REPACKAGING USE

It is a violation of Federal law to use this product in a manner inconsistent with its labeling.

For use as a preservative for room deodorizers, soap detergents, industrial and household water-based paints, and as a disinfectant, algacide, and/or slimicide for industrial uses.

Reformulated or repackaged products must be registered with EPA. The registrant is responsible for obtaining his own registration.

## STORAGE AND DISPOSAL

Open dumping is prohibited. Do not reuse empty container.

Pesticide or rinsate that cannot be used or chemically reprocessed should be disposed of in a landfill approved for pesticides or buried in a safe place away from water supplies.

Triple rinse the container or equivalent method before sending to drum conditioner, or destroy by perforation or crushing and burying in a safe place. Consult state or local authorities for approved disposal procedures.

Glycoserve  
EPA Registration No. 6836-112 ✓  
Your Resubmission Dated April 12, 1988

The labeling referred to above, submitted in connection with registration under the Federal Insecticide, Fungicide, and Rodenticide Act, is acceptable providing that the following labeling revision is made before the products are released for shipment bearing the amended labeling.

- The statement "Do not contaminate water by cleaning of container and equipment or disposal of waste" is no longer acceptable. It must be revised to read "Do not contaminate water when disposing of equipment washwaters."

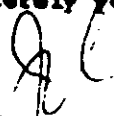

A stamped copy of the label for each of the products referred to above is enclosed for your records.

59673:I:Douglas:K-12:KENCO:8/30/88:9/9/88:EK:JH:CL

Submit the final printed labeling for inclusion in the product files.

If you have any questions in this regard, contact Ms. Ruth Douglas at (703) 557-3842.

Sincerely yours,

Jeff Kempter  
Product Manager (32)

### KEEP OUT OF REACH OF CHILDREN

### CAUTION

### STATEMENT OF PRACTICAL TREATMENT

**EYES:** Flush eyes with plenty of running water for several minutes. Seek medical attention if irritation develops or persists.

**SKIN:** Wash affected areas with plenty of water and soap if available, for several minutes. Remove and clean contaminated clothing and shoes. Seek medical attention if irritation develops or persists.

**INHALATION:** Remove from area to fresh air. If not breathing, clear airway and start mouth-to-mouth artificial respiration or use a bag-mask respirator. Get immediate medical attention. If victim is having trouble breathing, transport to medical care and, if available, give supplemental oxygen.

**INGESTION:** If swallowed, give 3-4 glasses of water. Induce vomiting by placing a finger on the back of the victim's tongue. Give fluids until vomitus is clear. DO NOT induce vomiting or give anything by mouth to an unconscious or convulsing person. Seek medical attention.

### FOR REFRIGERATION

It is a violation of the Clean Air Act to store in a manner which allows for use as a propellant for soft detergents, based paints, or other products or slimes for use in the Reformulated or registered with the EPA for obtaining his

### STORAGE

Keep container in a cool, dry place. Do not store in a freezer. Do not reuse empty container.

For excess product, contact your State Pesticide Agency or the nearest EPA office for disposal instructions.

For container disposal, contact your State Pesticide Agency or the nearest EPA office for disposal instructions.
