

FOR REFORMULATING AND/OR REPACKAGING USE

is a violation of Federal law to use this product in a manner inconsistent with the labeling.

use as a disinfectant, algicide, fungicide, bactericide and/or slimicide for

recirculating water systems, antimicrobial for pulp and ~~paper~~ *for manufacture of non-toxic grades of paper and paperboard,* and in enhanced recovery.

formulated or repackaged products must be registered with EPA. The registrant must supply data required for this registration.

STORAGE AND DISPOSAL

ORAGE: Keep container tightly closed. Store in a dry place. Do not store at elevated temperatures.

DISPOSAL: Do not contaminate water, food or feed by storage or disposal. Pesticide wastes are acutely hazardous and/or toxic. Improper disposal of excess pesticide, spray mixture, or rinsate is a violation of Federal law. If these wastes cannot be disposed of by use according to the label instructions contact your state pesticide or environmental control agent or the hazardous waste representative at the nearest EPA regional office for guidance.

METAL AND PLASTIC CONTAINERS: Triple rinse (or equivalent). Then offer for recycling or reconditioning, or puncture and dispose of in a sanitary landfill, or incinerate or burn, if allowed by State and Local authorities. If burned stay out of smoke.

FIBER DRUMS AND LINERS: Completely empty liner by shaking and taping sides and bottom to loosen clinging particles. Then dispose of liner and drum in a sanitary landfill or incinerate if allowed by State and Local authorities. Do not rinse empty drum or liner.

PHYSICAL AND CHEMICAL HAZARDS

CHEMICAL HAZARD: STRONG OXIDIZING AGENT. Mix only with water. Use clean dry utensils. Do not add this product to any dispensing device containing remnants of any other product. Such use may cause a violent reaction leading to fire or explosion. Contamination with moisture, organic matter, or other chemicals may start a chemical reaction with generation of heat, liberation of hazardous gases and possible generation of fire and explosion. In case of contamination or decomposition, do not reseal container. If possible, isolate container in open air or well ventilated area. Flood with large volumes of water, if necessary.

STORAGE AND DISPOSAL

STORAGE: Keep container tightly closed. Store in a dry place. Do not store at elevated temperatures.

DISPOSAL: Do not contaminate water, food or feed by storage or disposal. Pesticide wastes are acutely hazardous and/or toxic. Improper disposal of excess pesticide, spray mixture, or rinsate is a violation of Federal law. If these wastes cannot be disposed of by use according to the label instructions, contact your State pesticide or environmental control agent or the hazardous waste representative at the nearest EPA regional office for guidance.

METAL AND PLASTIC CONTAINERS: Triple rinse (or equivalent). Then offer for recycling or reconditioning, or puncture and dispose of in a sanitary landfill, or incinerate or burn, if allowed by State and local authorities. If burned stay out of smoke.

FIBER DRUMS AND LINERS: Completely empty liner by shaking and tapping sides and bottom to loosen clinging particles. Then dispose of liner and drum in a sanitary landfill or incinerate if allowed by State and local authorities. Do not reuse empty drum or liner.

NOT RECOMMENDED
In Accordance with EPA Regulation 32-20
dated 09-12-84

FORMULATING AND/OR PACKAGING USE

of Federal law to use this product inconsistent with the labeling.

disinfectant, algaecide, fungicide, and/or slimicide for recirculating water microbial for pulp and for manufacturing grades of paper and paperboard, used oil recovery, *none esterase waters*

or repackaged products must be registered with EPA. The registrant must supply the label for this registration.

STORAGE AND DISPOSAL

Keep container tightly closed. Store in a cool, dry place. Do not store at elevated temperatures.

Do not contaminate water, food or feed. Do not dispose in drains. Pesticide wastes are acutely toxic. Improper disposal of excess material, spray mixture, or rinsate is a violation of Federal law. If these wastes cannot be disposed of by use according to the label instructions, contact your State pesticide or environmental control agency or the hazardous waste representative at the nearest EPA regional office for disposal instructions.

PLASTIC CONTAINERS: Triple rinse immediately and thoroughly. Then offer for recycling or reconditioning and dispose of in a sanitary manner or burn, if allowed by State authorities. If burned stay out of smoke.

PAPER AND LINERS: Completely empty and tap sides and bottom to dislodge particles. Then dispose of liner and other material in a sanitary landfill or incinerate if allowed by local authorities. Do not reuse empty containers.
