NOTICE OF PESTICIDE:

☒ REGISTRATION
☐ REREISTRATION

(Under the Federal Insecticide, Fungicide
and Rodenticide Act, as amended.)

EPA REGISTRATION NO.

DATE OF ISSUANCE

TERM OF ISSUANCE

NAME OF PESTICIDE PRODUCT

NAME AND ADDRESS OF REGISTRANT (Include ZIP code)

NOTE: Changes in labeling formula differing in substance from that accepted in connection with this registration must be submitted to and accepted by the Registration Division prior to use of the label in commerce. In any correspondence on this product always refer to the above U.S. EPA registration number.

On the basis of information furnished by the registrant, the above named pesticide is hereby Registered/Reregistered under the Federal Insecticide, Fungicide, and Rodenticide Act.

A copy of the labeling accepted in connection with this Registration/Reregistration is returned herewith.

Registration is in no way to be construed as an indorsement or approval of this product by this Agency. In order to protect health and the environment, the Administrator, on his motion, may at any time suspend or cancel the registration of a pesticide in accordance with the Act. The acceptance of any name in connection with the registration of a product under this Act is not to be construed as giving the registrant a right to exclusive use of the name or to its use if it has been covered by others.

The product is conditionally registered in accordance with the Act, and you are advised that you must comply with the Act and the regulations thereunder.

You must comply with all data requirements for registration, reregistration, and cancellation of the product under the Act and the Agency's regulations, and you must submit such data to the Agency as required.

You must also comply with the Act and the regulations thereunder for the protection of the environment.

You must also comply with the Act and the regulations thereunder for the protection of the environment, and you must comply with the Act and the regulations thereunder for the protection of the environment.

The product is conditionally registered with the term "conditional" in the registration number, and you must comply with the Act and the regulations thereunder for the protection of the environment.
