Michael G. Fletcher, Ph.D.  
Product Development Manager  
Y-TEX Corporation  
Post Office Box 1450  
1825 Big Horn Avenue  
Cody, Wyoming 82414-1450

Dear Dr. Fletcher:

SUBJECT: Submission Finished Labels  
YTex Python Dust Livestock Insecticide  
EPA Registration Number 39039-9  
Your Submission Dated May 17, 2000

The labeling referred to above, submitted in connection with registration under the Federal Insecticide, Fungicide and Rodenticide Act (FIFRA) as amended, is acceptable subject to the comment listed below:

1. Revise the first part of the dust bag directions to read as follows:

"Self-Treating Dust Bag Forced Use-Horn flies, lice and face flies: Place dust bag in a daily forced use situation. Do not allow free choice use of dust bag. Place contents of package ...,etc."

A stamped copy of the label is enclosed for your records. If you have any questions, please contact me at 703/305-6100.

Sincerely yours,

George T. LaRocca  
Product Manager (13)  
Insecticide Branch  
Registration Division (7505C)

**PRECAUTIONARY STATEMENTS**

**Hazards to Humans (and Domestic Animals)**

**CAUTION**

Harmful if absorbed through skin. Avoid contact with eyes, skin or clothing. Wash thoroughly with soap and water after handling.

MAY 30 2000

Under the Federal Insecticide,  
Fungicide, and Rodenticide Act  
as amended, for the pesticide  
registered under EPA Reg. No.

**STATEMENT OF PRACTICAL TREATMENT**

**If on skin:** Take off contaminated clothing. Rinse skin immediately with plenty of water for 15-20 minutes. Call a Poison Control Center or doctor for treatment advice.

**Note to Physician:**

This product contains a pyrethroid. Skin contact may be followed by transient tingling or numbness, usually of the face, but this subsides without treatment.

**Environmental Hazards**

This pesticide is toxic to fish and aquatic invertebrates. Do not contaminate water by cleaning of equipment or disposal of wastes. Use this product only as specified on this label.

**DIRECTIONS FOR USE**

It is a violation of Federal law to use this product in a manner inconsistent with its labeling.

**For Beef and Dairy Cattle, Sheep, Goats and Horses:** Can be applied by dust bag, shaker can, dusting glove and mechanical dust applicator. Do not use concurrently with insecticide ear tags containing zeta-cypermethrin or cypermethrin.

**Horn flies, lice and face flies (by dust bag):** For best results, place dust bag in a daily forced use situation. Place contents of package in any commercially available dust bag; suspend bag in gateways or lanes through which the animals must pass daily for water, feed, or minerals. For dairy cows, bags may be suspended in the exit through which the cows leave the milking barn. The bags should hang four (4) to six (6) inches below the backline of the cattle. For reduction of face flies, bags must be located so animals will be forced to use them daily and hung at a height so that the face is dusted.

**Horn flies, lice, face flies, stable flies, ticks and keds (direct application):** Apply up to 2 oz. (6 tablespoons) of dust per animal evenly into the hair over the head, ears, neck, shoulders, back, and tailhead. For spinose ear ticks, apply approximately 1/3 ounce (1 tablespoon) inside each ear. For stable flies, apply also to legs. Repeat as necessary but not more often than once in 3 days.

**STORAGE AND DISPOSAL**

**Storage**

Store in cool, dry place. Do not contaminate feed or foodstuffs by storage or disposal.

**Pesticide Disposal**

Wastes resulting from the use of this product may be disposed of on site or at an approved waste disposal facility.

**Container Disposal**

Completely empty container into application equipment. Then dispose of empty container in a sanitary landfill or by incineration, or, if allowed by state and local authorities, by burning. If burned, stay out of smoke.

**NOTICE OF WARRANTY**

Y-TEX<sup>®</sup> CORPORATION MAKES NO WARRANTY OF MERCHANTABILITY, FITNESS FOR ANY PURPOSE, OR OTHERWISE, EXPRESSED OR IMPLIED concerning this product or its uses which extend beyond the use of the product under normal conditions in accord with the statements made on this label, and in any case, is limited to replacement of product only.

**PRESENTATION:** 12 x 2 lb., 12.5 lb. dust bag kits, and 2 x 12.5 lb. refills.
