

U.S. ENVIRONMENTAL PROTECTION AGENCY

Office of Pesticide Programs
Registration Division (7505P)
1200 Pennsylvania Avenue, N.W.
Washington, D.C. 20460

EPA Reg. Number: 39039-20

Date of Issuance: JAN 31 2013

Term of Issuance: Unconditional

Name of Pesticide Product: ZetaGard LBT Insecticide

NOTICE OF PESTICIDE:

- X Registration
Reregistration

(under the Federal Insecticide, Fungicide, and Rodenticide Act, as amended)

Name and Address of Registrant (include ZIP Code):

Y- Tex Corporation
P.O. Box 1450
1825 Big Horn Avenue
Cody, Wyoming 82414-1450

Note: Changes in labeling differing in substance from that accepted in connection with this registration must be submitted to and accepted by the Registration Division prior to use of the label in commerce. In any correspondence on this product always refer to the above EPA registration number.

On the basis of information furnished by the registrant, the above named pesticide is hereby registered/reregistered under the Federal Insecticide, Fungicide and Rodenticide Act.

Registration is in no way to be construed as an endorsement or recommendation of this product by the Agency. In order to protect health and the environment, the Administrator, on his motion, may at any time suspend or cancel the registration of a pesticide in accordance with the Act. The acceptance of any name in connection with the registration of a product under this Act is not to be construed as giving the registrant a right to exclusive use of the name or to its use if it has been covered by others. This action is taken under the authority of section 3(c)(5) of the Federal Insecticide, Fungicide, and Rodenticide Act, as amended. Registration under this section does not eliminate the need for continual reassessment of pesticides. EPA may require submission of data at any time to maintain the registration of your product.

Terms of Registration

- 1. EPA has registered the product listed above provided that the following change is made to the label before you release the product for shipment:
a. Revise the EPA Registration Number to read "EPA Registration Number 39039-20".

Signature of Approving Official:

Refer to page #3

Richard Gebken, Product Manager (10)

Date:

JAN 31 2013

EPA Registration No. 39039-20

b. Clarify the label as follows: "There is a maximum use rate of 50 pounds of product that can be applied in "broiler" and turkey grow- out houses per flock of bird. The application can be split into two 25 pound applications, or one single 50 pound application, per flock. These applications can occur as one application at the 50 lb. rate prior to the flock being placed in the broiler house, or as one application at the 25 lb. rate prior to the flock being placed in the broiler house and a second 25 lb. application occurring not later than three weeks prior to shipping the birds for slaughter. If one single application is made at the maximum rate of 50 lbs, slaughter cannot occur sooner than six weeks after application.

c. The label must be amended to preclude application of treated poultry litter to forest lands.

d. Replace the Hazards to Humans and Domestic Animals section with: Harmful if swallowed. Wash thoroughly with soap and water after handling and before eating, drinking, chewing gum, using tobacco or the toilet, Wear: Long- sleeved shirt and long pants, socks, shoes and gloves.

e. Since the dermal sensitization was negative and the acute dermal toxicity, acute inhalation, primary eye irritation and primary skin irritation were all toxicity IV you may delete the "IF on skin or clothing, If in eyes and If inhaled" from the First Aid section.

2. You must generate a one year storage stability and corrosion characteristics study corresponding to guideline 830.6317 and 830.6320 on the proposed product. It is required that the observations be made at 0, 3, 6, 9, and 12 month intervals. The results must be submitted to the Agency in electronic and hard copy format.

Please note that if the treated poultry litter is to be land applied (e.g. agronomic, horticultural, compost, or other purposes), this product should include language that stipulates that the product should be used in accordance with a comprehensive nutrient plan (CNMP).

You must submit and/or cite all data required for registration of your product under FIFRA Section 3(c)(5) when the Agency requires all registrants of similar products to submit such data, and submit acceptable responses required for registration review of your product under FIFRA.

Two copies of the finished labeling must be submitted prior to releasing the product for shipment. If you fail to comply with all of the **Terms of Registration** stated above, the registration will be subject to cancellation in accordance with FIFRA sec. 6(e) and/or automatically expire. Your release for shipment of the product constitutes your acceptance of these conditions.

A copy of your label stamped "Accepted with Comments" is enclosed for your records. If you have any questions concerning this action, please contact Linda A. DeLuise of my team at (703) 305-5428.

Sincerely yours,

Richard Gebken

If swallowed	<ul style="list-style-type: none"> • Call a poison control center or doctor immediately for treatment advice. • Have person sip a glass of water if able to swallow. • Do not induce vomiting unless told to do so by a poison control center or doctor. • Do not give anything by mouth to an unconscious person.
If on skin or clothing	<ul style="list-style-type: none"> • Take off contaminated clothing. • Rinse skin immediately with plenty of water for 15-20 minutes. • Call a poison control center or doctor for treatment advice.
If in eyes	<ul style="list-style-type: none"> • Hold eye open and rinse slowly and gently with water for 15-20 minutes • Remove contact lenses, if present, after the first 5 minutes, then continue rinsing eye. • Call a poison control center or doctor for treatment advice.
If inhaled	<ul style="list-style-type: none"> • Move person to fresh air. • If person is not breathing, call 911 or an ambulance, then give artificial respiration, preferably mouth to mouth, if possible. • Call a poison control center or doctor for treatment advice.
HOT LINE NUMBER	
Have the product container or label with you when calling a poison control center or doctor or going for treatment. You may also contact 1-800-255-3924 for emergency medical treatment information.	
Note to Physician	
This product contains a pyrethroid. Skin contact may be followed by transient tingling or numbness, usually of the face, but this subsides without treatment.	

PERSONAL PROTECTIVE EQUIPMENT (PPE)

Applicators and other handlers must wear:

- Long-sleeved shirt and long pants;
- chemical-resistant gloves made of any waterproof material; and
- shoes and socks.

USER SAFETY REQUIREMENTS

- Follow manufacturer's instructions for cleaning/maintaining PPE. If no such instructions for washables exist, use detergent and hot water. Keep and wash PPE separately from other laundry.
- Discard clothing and other absorbent materials that have been heavily contaminated with the product's concentrate. Do not reuse them.

<p>User Safety Recommendations</p> <ul style="list-style-type: none"> • User should wash hands before eating, drinking, chewing gum, using tobacco, or using the toilet. • User should remove clothing/PPE immediately if pesticide gets inside. Then wash thoroughly and put on clean clothing. • User should remove PPE immediately after handling this product. As soon as possible, wash thoroughly and change into clean clothing.

ENVIRONMENTAL HAZARDS

This pesticide is **extremely** toxic to fish and aquatic invertebrates. Do not contaminate water by cleaning of equipment or disposal of wastes. Use this product only as specified on the label.

DIRECTIONS FOR USE

It is a violation of Federal law to use this product in a manner inconsistent with its labeling.

Chicken Broiler Houses and Turkey Growout Houses:

Before birds are placed in the house, raise the feeders and waters and apply four 36 inch bands of ZetaGard LBT Insecticide using a 36 inch drop style dust/granular applicator. Apply at a rate of 6.25 lbs. per 500 linear feet per band. Apply bands under each of two feed lines and along each wall. For severe infestation apply up to 12.5 lbs. per 500 linear feet in one treatment. Do not exceed 50 lbs. per 20,000 sq. ft. (standard 40 x 500 ft. broiler house) per six week period.

After birds are placed in the house, raise feeders and waters and apply four 36 inch bands of ZetaGard LBT Insecticide using a 36 inch drop style dust/granular applicator. Apply at a rate of 6.25 lbs. per 500 linear feet per band. Apply bands under each of two feed lines and each of two side walls. Do not treat less than three weeks prior to slaughter.

Do not apply with power duster equipment. Do not enter or allow others to enter until dusts have settled.

DO NOT APPLY TO ANIMAL FEEDSTUFFS OR WATERING EQUIPMENT

STORAGE AND DISPOSAL

Do not contaminate feed or foodstuffs by storage or disposal.

Pesticide Storage: Store in cool, dry place.

Pesticide Disposal: Wastes resulting from the use of this product may be disposed of on site or at an approved waste disposal facility.

Container Disposal: Non-refillable container. Do not reuse or refill this container. Completely empty container into application equipment. Then dispose of empty container in a sanitary landfill or by incineration, or, if allowed by state and local authorities, by burning. If burned, stay out of smoke.

NOTICE OF WARRANTY

To the extent consistent with applicable law, Y-TEX CORPORATION MAKES NO WARRANTY OF MERCHANTABILITY, FITNESS FOR ANY PURPOSE, OR OTHERWISE, EXPRESSED OR IMPLIED concerning this product or its uses which extend beyond the use of the product under normal conditions in accord with the statements made on this label, and in any case, is limited to replacement of product only.

PRESENTATION: 4 x 12.5 lb. refills.
