

U.S. ENVIRONMENTAL PROTECTION AGENCY
 Office of Pesticide Programs
 Registration Division (7505P)
 1200 Pennsylvania Ave., N.W.
 Washington, D.C. 20460

EPA Reg. Number:

39039-36

Date of Issuance:

6/15/22

NOTICE OF PESTICIDE:

Registration
 Reregistration
 (under FIFRA, as amended)

Term of Issuance:

Conditional

Name of Pesticide Product:

YT-1604 Dog Tag

Name and Address of Registrant (include ZIP Code):

Kathy Skates
 Regulatory Affairs Manager, Specialty Products
 Y-TEX Corporation
 1825 Big Horn Avenue
 Cody, WY 82414

Note: Changes in labeling differing in substance from that accepted in connection with this registration must be submitted to and accepted by the Registration Division prior to use of the label in commerce. In any correspondence on this product always refer to the above EPA registration number.

On the basis of information furnished by the registrant, the above named pesticide is hereby registered under the Federal Insecticide, Fungicide and Rodenticide Act.

Registration is in no way to be construed as an endorsement or recommendation of this product by the Agency. In order to protect health and the environment, the Administrator, on his motion, may at any time suspend or cancel the registration of a pesticide in accordance with the Act. The acceptance of any name in connection with the registration of a product under this Act is not to be construed as giving the registrant a right to exclusive use of the name or to its use if it has been covered by others.

This product is conditionally registered in accordance with FIFRA section 3(c)(7)(A). You must comply with the following conditions:

1. Submit and/or cite all data required for registration/reregistration/registration review of your product under FIFRA when the Agency requires all registrants of similar products to submit such data.

Signature of Approving Official:

Elizabeth Fertich, Product Manager 4
 Invertebrate-Vertebrate Branch 1
 Registration Division
 Office of Pesticide Programs

Date:

6/15/22

2. You are required to comply with the data requirements described in the DCI or EDSP Order identified below:
 - a. Zeta-cypermethrin GDCI-129064-1097
 - b. Zeta-cypermethrin GDCI-129064-1209
 - c. Piperonyl Butoxide GDCI-067501-26641

You must comply with all of the data requirements within the established deadlines. If you have questions about the Generic DCI or EDSP Order listed above, you may contact the Chemical Review Manager in the Pesticide Reevaluation Division:

<http://iaspub.epa.gov/apex/pesticides/f?p=chemicalsearch:1>

3. The data requirements for storage stability and corrosion characteristics (Guidelines 830.6317 and 830.6320) are not satisfied. You have 18 months from the date of registration to provide these data.
4. Make the following label changes before you release the product for shipment:
 - Revise the EPA Registration Number to read, “EPA Reg. No. 39039-36.”
5. Submit one copy of the final printed label for the record before you release the product for shipment.

Should you wish to add/retain a reference to the company’s website on your label, then please be aware that the website becomes labeling under the Federal Insecticide Fungicide and Rodenticide Act and is subject to review by the Agency. If the website is false or misleading, the product would be misbranded and unlawful to sell or distribute under FIFRA section 12(a)(1)(E). 40 CFR 156.10(a)(5) list examples of statements EPA may consider false or misleading. In addition, regardless of whether a website is referenced on your product’s label, claims made on the website may not substantially differ from those claims approved through the registration process. Therefore, should the Agency find or if it is brought to our attention that a website contains false or misleading statements or claims substantially differing from the EPA approved registration, the website will be referred to the EPA’s Office of Enforcement and Compliance.

If you fail to satisfy these data requirements, EPA will consider appropriate regulatory action including, among other things, cancellation under FIFRA section 6(e). Your release for shipment of the product constitutes acceptance of these conditions. A stamped copy of the label is enclosed for your records. Please also note that the record for this product currently contains the following CSFs:

- Basic CSF dated 10/18/2021

If you have any questions, please contact Autumn Metzger at 202-566-2830, or Metzger.autumn@epa.gov.

This pesticide is **extremely** toxic to fish and aquatic organisms, including fish and invertebrates. Do not contaminate water by disposal of used collar medallion. Use this product only as specified on this label.

(Back Panel)

Y-TEX®

YT-1604 Dog Tag

The YT-1604 Dog Tag is a collar medallion that contains a powerful synergized pyrethroid insecticide that kills adult fleas and all blood-feeding stages of ticks.

READ ENTIRE LABEL BEFORE EACH USE.

DIRECTIONS FOR USE:

It is a violation of Federal Law to use this product in a manner inconsistent with its labeling.

[Alternate wording used for 0.14 oz. (4 gram) medallion:]

Do not use on puppies less than 6 months of age. For dogs weighing 14 - 29 pounds, use one 0.14 oz. (4 gram) medallion. This 0.14 oz. (4 gram) product may only be used on dogs weighing

between 14 and 29 pounds. May not be used on dogs weighing less than 14 pounds or greater than 29 pounds. This product takes a few days to show maximum efficacy.

[Alternate wording used for 0.21 oz. (6 gram) medallion:]

Do not use on puppies less than 6 months of age. For dogs weighing 30 - 55 pounds, use one 0.21 oz. (6 gram) medallion. This 0.21 oz. (6 gram) product may only be used on dogs weighing 30 to 55 pounds. May not be used on dogs weighing less than 30 pounds or greater than 55 pounds. This product takes a few days to show maximum efficacy.

[Alternate wording used for 0.28 oz. (8 gram) medallion:]

Do not use on puppies less than 6 months of age. For dogs weighing 56 pounds or greater, use one 0.28 oz. (8 gram) medallion. This 0.28 oz. (8 gram) product may only be used on dogs weighing 56 pounds or greater. May not be used on dogs weighing 55 pounds or less. This product takes a few days to show maximum efficacy.

Remove medallion from package and attach to “D-ring” on existing collar as illustrated in Steps 1 through 3.

STEP 1 Open clasp and slide both halves around “D” ring on collar.

STEP 2 Close clasp and press together until it clicks into place.

STEP 3 When properly closed both halves should line up over each other.

The completed medallion must swing freely from the “D-ring” on the collar. Consult a veterinarian before using this product on debilitated, aged, or medicated animals. If used on pregnant or nursing dogs, do not replace medallion until puppies are at least 6 weeks old. Sensitivity may occur after using ANY pesticide product for pets. Any pesticidal collar or collar attachment may irritate some animals. If irritation continues, remove the product from the animal. If signs of sensitivity occur, bathe your pet with mild soap and rinse with large amounts of water. If signs continue, consult a veterinarian immediately. As the YT-1604 Dog Tag is depleted of insecticide, ticks and fleas may be again noticed on your pet, indicating it is time to replace the attachment or replace the attachment after 4 months, whichever comes first. **DO NOT USE ON CATS.** The safety of this product has not been determined on cats.

STORAGE AND DISPOSAL

Do not contaminate water, food or feed by storage and disposal.

PESTICIDE STORAGE: Store in a cool place in original container, away from direct sunlight.

PESTICIDE DISPOSAL: Wrap used product in a plastic bag or several layers of newspaper and discard in trash.

CONTAINER DISPOSAL: Non-refillable container. Do not reuse bag. Discard bag in trash, or offer for recycling, if available.

NOTICE OF WARRANTY

To the extent consistent with applicable law, Y-TEX CORPORATION MAKES NO WARRANTY OF MERCHANTABILITY, FITNESS FOR ANY PURPOSE, OR OTHERWISE, EXPRESSED OR IMPLIED

concerning this product or its uses which extend beyond the use of the product under normal conditions in accord with the statements made on this label, and in any case, is limited to replacement of collar medallion only.

(OPTIONAL ADDITIONAL WORDING)

[For control of fleas and ticks, it is necessary to treat not only the pet but also its environment.]

[Treat your home, both indoors and outdoors, with a residual insecticide and/or Insect Growth Regulator (IGR) approved and labeled for such use, to prevent re-infestation of the home and yard.]
