DATE OF ISSUANCE

NOTICE OF PESTICIDE: REGISTRATION PREREGISTRATION

NAME OF PESTICIDE PRODUCT

(Under the Federal Insecticide, Fungicide, and Rodenticide Act, as amended)

Aquacell Bacteriostatic Water Treatment Unit

NAME AND ADDRESS OF REGISTRANT (Include ZIP code)

Kabb, Inc. 5145 Taravella Road Marrero, LA 70072

NOTE: Changes in labeling formula differing in substance from that accepted in connection with this registration must be submitted to and accepted by the Registration Division prior to use of the label in commerce. In any correspondence on this product always refer to the above U.S. EPA registration number.

On the basis of information furnished by the registrant, the above named pesticide is hereby Registered/Reregistered under the Federal Insecticide, Fungicide, and Rodenticide Act.

A copy of the labeling accepted in connection with this Registration/Reregistration is returned herewith.

Registration is in no way to be construed as an indorsement or approval of this product by this Agency. In order to protect health and the environment, the Administrator, on his motion, may at any time suspend or cancel the registration of a pesticide in accordance with the Act. The acceptance of any name in connection with the registration of a product under this Act is not to be construed as giving the registrant a right to exclusive use of the name or to its use if it has been covered by others.

Based on your response to the Reregistration Eligibility Document, EPA has reregistered the above named product subject to the comments recorded in the succeeding paragraph. This action is taken under the authority of section 4(g)(2)(C) of the Federal Insecticide, Fungicide, and Rodenticide Act, as amended. Reregistration under this section does not eliminate the need for continual reassessment of pesticides. EPA may require submission of data at any time to maintain the registration of your product.

Make the following labeling changes before you release the product for shipment:

- Delete the statement "Independently Tested by the United States Testing Company, Inc., in accordance with NSF Standard 53 and 42" from the product labeling.
- The statement "Maxium working pressure: 125 PSI (8.5 BAR) non-shock" should be deleted from the product labeling.
- Place the statement "Keep Out of Reach of Children" directly above the signal word "Caution."

ATTACHMENT IS APPLICABLE

SIGNATURE OF APPROVING OFFICIAL

DATE

2013

- 4. Place the missuse statement "It is a violation of Federal law to use this product in a manner inconsistent with its labeling" directly below the subheading "Directions for Use."
- 5. Delete the statement "Designed to be used only with bacteriologically safe water systems" from the product labeling.

A stamped copy of the product label is enclosed for your records.

Submit one copy of the final printed labeling before releasing the product in channels of trade with the revised labeling.

If these conditions are not complied with, the registration will be subject to cancellation in accordance with FIFRA sec. 6(e). Your release for shipment of the product constitutes acceptance of these conditions.
