**STATEMENT OF PRACTICAL TREATMENT:** For eye contact, flush eyes with water for 15 minutes. If irritation occurs, contact physician immediately.

See Side Panel for Additional Precautionary Statements.

**32 FL OZ (1 QT) NET 128 FL OZ (1 GAL)**

**DIRECTIONS FOR USE**

It is a violation of Federal law to use this product in a manner inconsistent with its label.

**1. Cleaning and Deodorizing:** Hold spray nozzle 8 to 10 inches from the surface to be cleaned. Allow the solution to wet the area. Allow the solution to remain on the surface for one minute and then wipe away with a cloth or sponge. The wiping cloth may be reused with water or with this product.

**2. For Disinfection:** Before disinfecting the surface as in Step 1, clean the surface with enough fresh solution to wet the surface. Allow the disinfectant to remain in contact with the surface for 10 minutes. Wiping or rinsing the surface is not necessary.

**3. For Mildew:** follow directions on label. Repeat treatment every 7 days to prevent mildew growth first reapplication.
