**PRECAUTIONARY STATEMENTS  
 HAZARDS TO HUMANS & DOMESTIC ANIMALS**

**CAUTION**

Harmful if inhaled or absorbed through skin. Causes  
 moderate eye irritation. Avoid contact with eyes, skin, or  
 clothing. Avoid breathing dust or spray mist. Wash  
 thoroughly with soap and water after handling. Remove  
 contaminated clothing and wash before reuse.

**ENVIRONMENTAL HAZARDS**

This product is toxic to fish. Do not apply directly to water.  
 Do not apply where runoff conditions are likely to occur. Do  
 not contaminate water by cleaning of equipment or disposal  
 of wastes.

**PHYSICAL AND CHEMICAL HAZARDS**

Do not store outdoors in the open. Keep away from  
 heat, sparks, and flame.

**DIRECTIONS FOR USE**

It is a violation of Federal law to use this product in a manner  
 inconsistent with its labeling.

**STORAGE AND DISPOSAL**

Do not contaminate water, food or feed by storage or  
 disposal.

**STORAGE:** Store unused product in original container only  
 in cool, dry area out of reach of children and animals.

**PERFECT DISPOSAL:** Wastes resulting from the use of  
 this product may be disposed of on site or at an approved  
 waste disposal facility.

**CONTAINER DISPOSAL:** Completely empty bag by  
 shaking and tapping sides and bottom to loosen clinging  
 particles. Empty residue into application equipment. Then  
 dispose of bags in a sanitary landfill or by incineration if  
 allowed by State and local authorities.

Repackagers and formulators are  
 responsible for developing  
 end-use directions.

Replacement

\*Do not discharge effluent containing this product directly into  
 lakes, streams, ponds, estuaries, oceans or public waters unless  
 this product is specifically identified and addressed in an NPDES  
 permit. Do not discharge effluent containing this product into  
 sewer systems without previously notifying the sewage treatment  
 plant authority. For guidance, contact your State Water Board or  
 Regional Office of the Environmental Protection Agency.

**NOTE:** Changes in labeling formula differing in substance from that accepted in connection with this registration must be submitted to and accepted by the Registration Division prior to use of the label in commerce. In any correspondence on this product always refer to the above U.S. EPA registration number.

On the basis of information furnished by the registrant, the above named pesticide is hereby Registered/Reregistered under the Federal Insecticide, Fungicide, and Rodenticide Act.

A copy of the labeling accepted in connection with this Registration/Reregistration is returned herewith.

Registration is in no way to be construed as an indorsement or approval of this product by this Agency. In order to protect health and the environment, the Administrator, on his motion, may at any time suspend or cancel the registration of a pesticide in accordance with the Act. The acceptance of any name in connection with the registration of a product under this Act is not to be construed as giving the registrant a right to exclusive use of the name or to its use if it has been covered by others.

This product is conditionally registered in accordance with FIFRA Section 3(c)(7)(A) provided that you:

1. Submit/cite all data required for registration/reregistration of your product under FIFRA section 3(c)(5) when the Agency requires all registrants of similar products to submit such data.
2. Add the phrase "EPA Registration No. 39291-1" to your label before you release the product for shipment.
3. Submit two (2) copies of your final printed labeling before you release the product for shipment. Refer to the A-79 enclosure for a further description of final printed labeling.

A copy of your proposed label with our acceptance stamp is included with this registration with the understanding that you will comply with the conditions in this Registration Notice.
