

Precautionary Statements

Hazards to Humans and Domestic Animals Caution

Harmful if swallowed or absorbed through the skin. If swallowed, do not induce vomiting. If vomiting occurs spontaneously, keep airway clear. Never give anything by mouth to an unconscious person. Seek medical attention.

Do not inhale dust

Do not get in eyes. In case of contact, flush eyes with plenty of water for at least 15 minutes and seek medical attention. Do not allow contact with skin or clothing. Wash exposed skin gently with plenty of soap and water.

Environmental Hazards

This product is toxic to fish. Do not apply directly to water. Do not contaminate water by cleaning of equipment or disposal of wastes.

Directions for Use

It is a violation of Federal law to sell this product in a manner inconsistent with the label.

For Formulation Purposes Only

This product is not for formulating weed and brush killers.

Storage and Disposal

Do not contaminate water, food or feed by storage or disposal. Open dumping is prohibited.

Storage

Store in a dry place.
Pesticide Disposal: Pesticide or waste that cannot be used according to label directions must be disposed of according to Federal, State or local procedures under the Resource Conservation and Recovery Act.

Container Disposal: Dispose of bags according to applicable Federal, State or local regulations. The following instructions apply to all containers.

Warranty and Limitation of Damages

Seller warrants that this material conforms to its chemical description and is reasonably fit for the purposes stated on the label when used in accordance with directions. Seller makes no other express or implied warranty, including any other warranty of fitness or of merchantability, and no agent of Seller is authorized to do so except in writing with a specific reference to this warranty. No agent shall be liable for damages in excess of the purchase price of the material.
