STATEMENT OF PRACTICAL TREATMENT

If poisoning occurs or is suspected, immediately start the recommended procedures below and simultaneously contact a physician, the nearest hospital, or a poison control center for advise.

NOTE: Be sure to advise the physician that the compound is a cholinesterase inhibitor, and follow his or her advise.

If Swallowed: Do NOT induce vomiting. This product contains hydrocarbon solvent. Immediately give large quantities of water. If vomiting does occur, give fluids again. Do not induce vomiting or give anything by mouth to an unconscious person. Call a physician immediately.

For Eye Contact: Hold eye lids apart and flush eyes with large amounts of running water for at least 15 minutes, Get medical attention.

For Skin Contact: Flush with plenty of water for at least 15 minutes. Remove contaminated clothing and shoes. Get medical attention if irritation occurs. Wash clothing before reuse.

If Inhaled: Remove from contaminated atmosphere. Get medical attention if respiratory irritation occurs.

PRODUCT INFORMATION

Sumithion 4-E/O is both a water emulsifier and oil dilutable concentrate containing 4 pounds of Sumithion per gallon. After dilution with either water or deodorized kerosene (or equivalent grade oil), it is intended for residual control in buildings and structures and in modes of transport. Permitted areas of use include, but are not limited to: Stores, warehouses, industrial buildings, houses, apartment buildings, and on vessels, aircraft, rail cars, buses, trucks and trailers.

The solvent used in this formulation is a petroleum distillate which may stain certain plastic, rubber, and asphalt materials. Before use test on an inconspicuous area of tiles, floor coverings and fabric. Care should be also taken to avoid spotting of wallpaper and fabric. Avoid spraying carpets with either oil or water dilutions as discoloration may result.

DIRECTIONS FOR USE

It is a violation of Federal law to use this product in a manner inconsistent with its labeling.

To kill Cockroaches, Ant, Crickets, Silverfish, Spiders, Sowbugs, Flies, Fleas, Ticks and Mosquitoes:

For control of these pest, dilute Sumithion 4-E/O in either water or oil as shown below to make a 1.00% residual Spray.

<u>Gallons of Finished Spray Required</u>	<u>Ounces of Sumithion Required</u>
1	3
2	6
3	9
10	30
25	75

Apply as a coarse low pressure spot spray, or apply with paint brush to areas where these pests hide, such as baseboards, all indoor storage areas, around water pipes, behind and under refrigerators, cabinets, sinks, and stoves, the underside of pallets, and similar areas where these insects hide or through which they may enter. Treated areas should be inspected 2 and 4 weeks after initial application.

Right Panel
Continued

To Kill Brown Dog Ticks and Fleas: Thoroughly apply as a spot treatment to infested areas such as pet beds and usually inside resting quarters, nearby cracks and crevices, along and behind baseboards, window and door frames and localized areas of floor and floor coverings where these pests may be present. Pet's old bedding should be removed and replaced with clean, fresh bedding after treatment. Do Not Spray Pets With This Product.

Flies and Mosquitoes: Use out of doors and in and around buildings as an aid in reducing annoyance from these pests. Spray surfaces of windows, door frames and walls as well as other areas where these pests may congregate. Also spray dark corners and localized resting areas (such as under eaves) or porches, patios, garages and feedlots where these insects may congregate. Flies and mosquitoes coming to rest on treated surfaces will be killed. Repeat treatment when necessary. During spraying cover feed and water areas.

PRECAUTIONARY STATEMENTS

HAZARDS TO HUMANS AND DOMESTIC ANIMALS

WARNING

May be fatal if swallowed or absorbed through the skin. Harmful if inhaled or absorbed through skin. Do not breath vapors. Wear gloves and long-sleeved shirt and pants while mixing this product. Do not get in eyes, on skin or clothing. Thoroughly wash skin or clothing with soap and warm water if they become contaminated.

When used in dwellings, avoid deposits which could be frequently contacted by children. Do not permit children or pets in treated areas until surfaces are dry.

Do not use in kitchens or food serving areas while food is exposed. Do not use in edible product areas of food processing plants, restaurants or other areas where food is commercially prepared or processed. Do not use in serving areas of food handling establishments.

Keep out of domestic or animal water supplies.

Do not store or transport with food or animal feed.

STORAGE AND DISPOSAL

STORAGE: Store in a cool, dry place. Keep container closed.

PROHIBITIONS: Do not contaminate water, food, or feed by storage or disposal. Open dumping is prohibited.

PESTICIDE DISPOSAL: Waste resulting from the use of this product may be disposed of on site or at an approved waste disposal facility.

CONTAINER DISPOSAL: Triple rinse (or equivalent) and offer for recycling or reconditioning, or puncture and dispose of in a sanitary landfill, or by other approved State and Local procedures.

NOTICE -- READ CAREFULLY

CONDITIONS OF SALE:

Sumitomo (and seller) offer(s) this product for sale subject to, and buyer and all users are deemed to have accepted, the following conditions of sale and warranty which may only be varied by written agreement of a duly authorized representative of Sumitomo.

WARRANTY LIMITATION:

Sumitomo warrants that this product conforms to the chemical description in the directions for use on the label subject to the inherent risks referred to below. Sumitomo makes no other express warranties: **THERE IS NO IMPLIED WARRANTY OF MERCHANTABILITY** and there are no warranties which extend beyond the description on the label hereof.

INHERENT RISKS:

The directions for use of this product are believed to be reliable and should be followed carefully. However, it is impossible to eliminate all risks associated with use. Buyer assumes all risks associated with use or application of this product contrary to label instructions or resulting from extraordinary weather conditions.

LIMITATION OF LIABILITY:

In no case shall Sumitomo be liable for special, indirect or consequential damages resulting from the use or handling of this product and no claim of any kind shall be greater in amount than the purchase price of the product in respect of which such damages are claimed.
