PRACTICAL TREATMENT
In case of skin contact, remove contaminated clothing and immediately wash skin with soap and water. Get medical attention. Wash contaminated clothing before reuse. If inhaled, remove to fresh air. Use artificial respiration if breathing has stopped. Get medical attention. If swallowed, do not induce vomiting. This product contains petroleum distillates. Get medical attention. If in eyes, immediately flush with plenty of water. Get medical attention.

ENVIRONMENTAL HAZARDS
This product is toxic to fish. Do not apply directly to water. Do not contaminate water by cleaning of equipment or disposal of wastes. Do not allow chips and dust generated during paint removal to enter water. Dispose of paint debris in an approved landfill.

CHEMICAL AND PHYSICAL HAZARDS
Do not use or store near heat or open flame.

...n skin, clothing or in eyes. Do not get
be a dermal sensitizer. Wear a face
shield and rubber gloves when handling.
Use in a well ventilated area. When
used in confined areas or applied by
spraying, wear protective clothing,
and a pesticide respirator jointly
approved by the Mining Enforcement
and Safety Administration (formerly
the U.S. Bureau of Mines) and by the
National Institute for Occupational
Safety and Health under the provisions
of 30 CFR 11. May be fatal if swal-
lowed. Do not breathe vapor or spray
mist.
