STORAGE AND DISPOSAL

Do not contaminate water, food or feed by storage or disposal. Open dumping is prohibited. Pesticide, spray mixture or rinsate that cannot be used or chemically reprocessed should be disposed of according to procedures approved by Federal, State or local disposal authorities. Triple rinse containers and dispose of in an approved landfill or bury in a safe place. Consult Federal, State or local disposal authorities for approved alternative procedures.

DIRECTIONS FOR USE

It is a violation of Federal law to use this product in a manner inconsistent with its labeling.

Remove grease, dirt, oil, dust and other foreign matter by suitable cleaning methods. Apply only over recommended primers and anti-corrosives.

Agitate with power mixer until pigments are well dispersed. Thin only for workability and not more than 1 pint per gallon. Apply by spray overlapping each pass 50%. Refer to BYCO technical data for recommended film thickness and spray equipment.

NOTE: When product is used in confined areas or applied by spraying, wear protective clothing and a pesticide respirator jointly approved by the Mining Enforcement and Safety Administration (formerly the U.S. Bureau of Mines) and by the National Institute for Occupational Safety and Health under the provisions of 30CFR11.

ENVIRONMENTAL PRECAUTIONS

Do not contaminate water, food or feed by storage or disposal of equipment or other materials.

PHYSICAL DATA

Flammable. Store away from heat or open flame.
