PHYSICAL OR CHEMICAL HAZARDS

Flammable (77°F flash point). Stay away from heat or open flame and do not smoke while using until after the odor of alcohol has completely disappeared. Keep container away from heat or open flame.

This material affects lacquer, paint, certain plastic articles, most furniture finishes and some synthetic fabrics. Avoid contact with goggles, watch crystals, painted helmets, car finishes, vinyl upholstery or fabric, eyeglass frames. If irritation develops, discontinue use.

STORAGE AND DISPOSAL

Do not store near heat or open flame. Do not reuse empty container. Wrap container and place in trash collection.

DIRECTIONS FOR USE:

It is a violation of Federal Law to use this product in a manner inconsistent with its labeling.

To repel ticks, chiggers, biting flies, gnats, mosquitoes, flies and midges: Shake about 12 drops into one hand, rub together, and apply thoroughly to a dry coat to all exposed skin area so through washing, use enough to give uniform film.

For clothing treatment pour about twelve drops into one hand, rub hands together lightly and apply lightly to socks and outer clothing. Make liberal application inside neckbands, to any place where clothing fits tightly such as wrist bands and collars. Treat clothing the day before wearing.
