ALGAE CONTROL

CHLORINATING SOLUTION

ACTIVE INGREDIENT:
SODIUM HYPOCHLORITE

INERT INGREDIENTS:

KEEP OUT OF REACH OF CHILDREN **DANGER**

FIRST AID: If on skin, wash with plenty of soap and water. If in eyes, flush with water for at least 15 minutes. Get medical attention. If swallowed, drink large quantities of milk, or gelatin solution or, if these are not available, drink large quantities of water. Do NOT give vinegar or other acids. Do NOT induce vomiting. Get prompt medical attention.

See additional precautions on side panel.

DIRECTIONS GENERAL USE

IT IS A VIOLATION OF FEDERAL LAW
TO USE THIS PRODUCT IN A MANNER INCONSISTENT

DIRECTIONS FOR SWIMMING POOL USE

For a new pool or for spring start-up, add this algae control sodium hypochlorite solution at a rate equivalent to 5 ppm available chlorine. For Pool Maintenance:

A) Adjust pool water pH to 7.6 - 7.8.

B) Add manually or by a feeder device at a rate to maintain an available chlorine level of 18 fl. oz. of this algae control sodium hypochlorite solution per 4 gallons of water will provide 1.0 ppm available chlorine to maintain 8 to 10 ppm available chlorine for each swimmer. Use test kit to determine proper range.

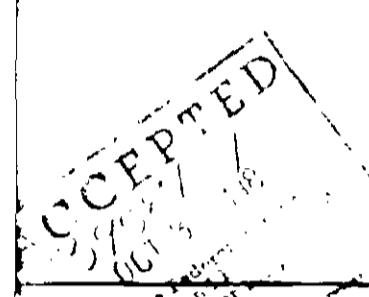

DIRECTIONS FOR DISINFECTANT USE

Dilute this algae control sodium hypochlorite solution with water to a hypochlorinator (metering pump) at least 0.2 ppm and no more than 0.6 ppm as determined by a DPD chlorine test kit. Use frequency no less than that prescribed in "Regulations". Check water frequently. Contact your local Health Department.

DIRECTIONS FOR SANITIZING

Clean equipment in the normal manner with this algae control sodium hypochlorite solution with water after treatment with algae control overnight. Addition of one fluid oz. of this solution per 4 gallons of water is recommended by weight.

NOTE: This product degrades with time. It is necessary to obtain the required strength away from direct sunlight. In case of spill, rinse empty container thoroughly and discard by placing in trash container that cannot be used again. Do not ignite - hate fire.

**PRECAUTIONARY STATEMENTS
HAZARDS TO HUMANS
AND DOMESTIC ANIMALS**
