

DIATOM

INSECT CONTROL

An effective additive to aid in the prevention of insect damage from Rice Weevils and Lesser grain borer.

Directions for use:

It is a violation of Federal Law to use this product in a manner inconsistent with its labeling.

Manufacturer or seller makes no warranty, expressed or implied, concerning the use of this product other than for the purposes indicated on the label.
Grain storage: for use on barley, buck wheat, corn, oats, rye, sorghum grain (milo), wheat and mixtures of these grains. Use 7 lbs. per ton of grain at point of entry into storage. The moisture content should be adjusted to no more than 12% by weight. Treated grain may be reduced to a lower grade, have reduced flowability, and reduced test weight. For best results, treat grain or seed immediately after harvest.

PRECAUTIONARY STATEMENTS: HAZARDS TO HUMANS (G-DOMESTIC ANIMALS) Avoid breathing of dust. Use a dust mask for prolonged periods of use. If in eyes, flush with plenty of water and call a physician if irritation persists.

INGREDIENTS:
DIATOMACEOUS EARTH 100%
