### PRECAUTIONARY STATEMENT

Hazards to Humans and Animals:  
**CAUTION**

Keep out of reach of children. Avoid breathing spray mist. Avoid skin contamination. In case of contact, remove contaminated clothing and wash skin with soap and water. Careful if swallowed.

### ENVIRONMENTAL PRECAUTIONS

This product is toxic to water life. Prevent contamination of waterways during equipment cleaning or waste disposal. Keep container closed when not in use.

### DIRECTIONS FOR USE

It is a violation of Federal law to use this product in a manner inconsistent with its labeling.

Do not apply this product through any type of irrigation system.

### RE-ENTRY STATEMENT

Do not enter treated areas without protective clothing until sprays have dried or mist has settled. The area being treated must be vacated by unprotected persons.

Do not apply this product in such a manner as to directly or through drift expose workers or other persons.

Do not apply on day of harvest.

Because certain states may require more restrictive reentry intervals for various crops treated with this product, consult your State Department of Agriculture for further information.

Written or oral warnings must be given to workers who are expected to be in a treated area or in an area about to be treated with this product. Indicate specific oral warnings which inform workers of areas or fields that may not be entered without specific protective clothing, period of time field must be vacated and appropriate actions to take in case of accidental exposure. When oral warnings are given, warnings shall be given in a language customarily understood by workers. Oral warnings must be given if there is reason to believe that written warnings cannot be understood by workers. Written warnings must include the following information: **CAUTION.** Area treated with Ryanodine on (date of application). Do not enter without appropriate clothing until sprays have dried or mists have settled.

### STORAGE AND DISPOSAL

**PROHIBITIONS:** Do not contaminate water, food, or feed by storage or disposal. Do not reuse empty container.

**PESTICIDE DISPOSAL:** Wastes resulting from the use of this product may be disposed of on site or at an approved waste disposal facility.

**CONTAINER DISPOSAL:** Completely empty by into application equipment. Then scrape of empty box to a sanitary landfill or by incineration, or, if allowed by state and local authorities, by burning. If burned, stay out of smoke.
