# LEXON

METRIBUZIN WEED K

## WETTABLE POWDER

### ACTIVE INGREDIENT

4-Amino-6-(1,1-dimethylethyl)-3-(methylthio)-1,2,4-triazin

### INERT INGREDIENTS

Keep out of reach of children.

## CAUTION! MAY BE HARMFUL IF INHALED OR SWALLOWED

Avoid breathing dust or spray mist  
Avoid contact with skin, eyes, and clothing  
Wash thoroughly with soap and warm water after handling  
Wash contaminated clothing with soap and hot water before reuse

IMMEDIATELY remove clothing if dust or spray mist from trees or other plants may result in contact with skin.

Do not apply to crops or ornamentals for crop use or drain or flush equipment, other parts, or areas where their roots may extend, or in locations where they may contact with their roots. Do not use on lawns, walks, driveways, etc. Prevent contact of powder with desirable plants. Do not contaminate any contact with fertilizer, insecticides, fungicides, and seeds.

Wash thoroughly with soap and water after application equipment, immediate cases, and burn with water, change of water after removing nozzle tips or components. Do not use for other purposes, or for equipment or disposal of equipment.

Do not use in areas where children play, when empty.

## NET 5 LBS.

PARIBI BIOCHEMICALS INC. (Mfg. P.R.) Subsidiary of DuPont de Nemours & Co.

# DNE<sup>®</sup>

## FEED KILLER

### POWDER

1,2,4-triazin-5(4H)-one 50%  
Surfactant 50%

Keep away from children.

### IF INHALED OR SWALLOWED.

Remove contaminated clothing and shoes. Wash exposed skin thoroughly with water. Rinse mouth with water. Do not induce vomiting. If symptoms persist, call a physician.

Do not apply to plants that may result from failure to observe the directions.

Do not use in areas where the chemical may be washed or blown into streets, sidewalks, driveways, tennis courts, or similar areas. Do not contaminate any body of water. Keep from contact with children.

Flush equipment immediately after use. Flush tank, sump, pump, nozzle tips and screens. Clean these parts with water. Dispose of waste properly.

When empty, dispose of container as follows:

### DISPOSAL.
