VILLAGE POOL CHLORINATING SOLUTION

ACTIVE INGREDIENT:
SODIUM HYPOCHLORITE 9%
INERT INGREDIENTS 91%

**KEEP OUT OF REACH OF CHILDREN
DANGER**

FIRST AID: If on skin, wash with plenty of soap and water. If in eyes, flush with water for at least 15 minutes. Get medical attention. If swallowed, drink large quantities of milk, or gelatin solution. If these are not available, drink large quantities of water. Do not give vinegar or other acids. Do not induce vomiting. Get prompt medical attention.

**DIRECTIONS FOR USE
GENERAL CLASSIFICATION**

It is a violation of federal law to use this product in a manner inconsistent with its labeling.

DIRECTIONS FOR SWIMMING POOL CHLORINATION

For a new pool or for pool that is superchlorinate with one (1) pound (16 fl. oz.) of Village Pool Chlorinating Solution for each 2500 gallons of water. This dosage is equivalent to 5 ppm available chlorine by weight.

FOR POOL MAINTENANCE

A. Adjust pool water pH to 7.2 to 7.6. pH 7.0 is best.
B. Add gradually, dry, a heaping level of Village Pool Chlorinating Solution to the pool water at a rate of 1/2 pound (8 fl. oz.) per 2500 gallons of water. This will maintain a chlorine residual of 0.5 to 1.0 ppm. One heaping level of Village Pool Chlorinating Solution will maintain a chlorine residual of 0.5 to 1.0 ppm in 2500 gallons of water. The frequency of addition will depend on the size and number of swimmers. Use test kit to make certain the pH and chlorine residual are in the proper range.

NOTE: This product degrades with age. Use a chlorine test kit and increase dosage as necessary to obtain the required level of available chlorine.

STORAGE AND DISPOSAL: Store in a cool, dry area away from direct sunlight. In case of spill, flood area with large quantities of water. Rinse empty container thoroughly with water and either return to manufacturer or discard by placing in trash collection or burying in an approved land fill. Product or residue that cannot be used, should be diluted with water and disposed of in a sanitary sewer. Do not contaminate food or feed by storage, disposal or cleaning of equipment.
