PRECAUTIONARY STATEMENTS

HAZARDS TO HUMANS AND DOMESTIC ANIMALS

DANGER! CORROSIVE: Causes irreversible eye damage and skin burns. May be fatal if inhaled. Harmful if swallowed or absorbed through skin. Do not get in eyes, on skin, or on clothing. Prolonged or frequently repeated skin contact may cause allergic reaction in some individuals.

Wear Protective eye wear (goggles, face shield or safety glasses). Wear protective clothing with a long sleeved shirt, long pants, socks, shoes, chemical resistant gloves and an apron. Wash thoroughly with soap and water after handling and before eating, smoking, drinking or using tobacco. Remove contaminated clothing and wash clothing before reuse. Follow manufacturer's instructions for cleaning/maintaining personal protective equipment (PPE); if no such instructions for washables use detergent and hot water. Keep and wash PPE separately from other laundry.

FIRST AID

If swallowed: Call Poison Control Center or doctor immediately for treatment advice. Have person sip a glass of water if able to swallow. Do not induce vomiting unless told to do so by the Poison Control Center or doctor.

If in eyes: Hold eye open and rinse slowly and gently with water for 15-20 minutes. Remove contact lenses, if present, after the first 5 minutes, then continue rinsing eye. Call a Poison Control Center or doctor for treatment advice.

If inhaled: Move person to fresh air. If person is not breathing, call 911 or an ambulance, then give artificial respiration, preferably by mouth-to-mouth, if possible. Call a Poison Control Center or doctor for further treatment advice.

If on skin or clothing: Take off contaminated clothing. Rinse skin immediately with plenty of water for 15-20 minutes. Call a Poison Control Center or doctor for treatment advice.

NOTE TO PHYSICIAN: Probable mucosal damage may contraindicate the use of gastric lavage.

In case of emergency call: CHEMTREC: 1-800-424-9300 INTERNATIONAL: 703-527-3887

Bayer Corporation Emergency Response Telephone #: 412-923-1800

Have the product container or label with you when calling a Poison Control Center or doctor or going in for treatment.

ENVIRONMENTAL HAZARDS: This pesticide is toxic to fish. Do not discharge effluent containing this product into lakes, streams, ponds, estuaries, oceans, or other waters unless in accordance with the requirements of a National Pollutant Discharge Elimination System (NPDES) permit and the permitting authority has been notified in writing prior to the discharge. Do not discharge effluent containing this product into sewer systems without previously notifying the sewage treatment plant authority. For guidance, contact your State Water Board or Regional Office of the EPA.

DIRECTIONS FOR USE.

It is a violation of Federal Law to use this product in a manner inconsistent with its labeling. Detailed information on physical and chemical properties and other detailed directions for use can be found in the Parachlorometacresol (PCMC) Technical Information Sheet. Obtain and read this information before undertaking the use of PCMC in order to avoid process mistakes.

Only for formulation as a preservative against bacteria or disinfectant for the following uses:

- 1) Only for formulation into microbicide for the following use(s): industrial adhesives, general preservatives for leather, paper products, textiles, fibers and cordage, metalworking (cutting) fluids, industrial coatings and resin/latex/polymer emulsions.
- 2) General hard surface disinfectant uses.
- 3) Uses for which the U.S. EPA has accepted data and/or citations of data that the formulator has submitted in support of registration.
- 4) Uses for experimental purposes that are in compliance with US EPA requirements.

Formulators using this product are responsible for obtaining EPA registrations for their own formulated products.

STORAGE AND DISPOSAL

Do not contaminate water, food, or feed by storage and disposal.

Pesticide disposal: Pesticide wastes are acutely hazardous. Improper disposal of excess pesticide, spray mixture, or rinsate is a violation of Federal Law. If these wastes cannot be disposed of by use according to the label instructions, contact your State Pesticide or Environmental Control Agency, or the Hazardous Waste representative at the nearest EPA Regional Office for guidance.

Pesticide storage: Product should be stored in an area that is not subject to extreme temperatures. Proper protective equipment should be worn when opening, transferring and using the product. Close container tightly when not in use. Spill-leak procedures and additional handling information is contained on the material safety data sheet.

Container disposal: Completely empty liner. Empty residue into application equipment. Then dispose of liner in a sanitary landfill, or by incineration, or if allowed by State and Local authorities, by burning. If burning, stay out of smoke.

Handle and open container in a manner as to prevent spillage. If the container is leaking, invert to prevent leakage. If the container is leaking material for any reason or cause, carefully dam up spilled material to prevent runoff. Refer to Precautionary Statements on label for hazards associated with the handling of this material. Do not walk through spilled material. Absorb spilled material with absorbing type compounds, and dispose of as directed above.

DISCLAIMER Seller (whether manufacturer, distributor, or other) makes no warranty express or implied, including the implied warranty of merchantability, regarding this product except the composition as set forth in the ingredient statement herein, and shall not be liable for special or consequential damages, the exclusive remedy being the replacement of the product. Buyer or user assumes all risk of possession, handling or use of this material when such use and/or handling is contrary to label instructions.
