SEP 08 2009

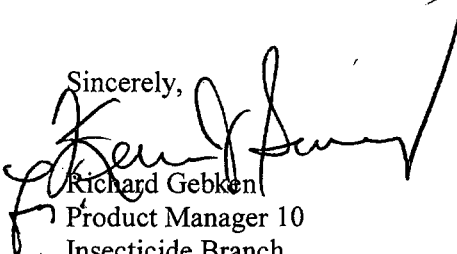

Dear Ms. Vercek,

Subject: Fast Track Amendment  
KBR 3023 All-Family Insect Repellent Spray  
EPA Reg. No. 39967-53  
Submissions dated April 15, 2009

The amendment referred to above, submitted in connection with registration under Section (3)(c)(7) of the Federal Insecticide, Fungicide and Rodenticide Act (FIFRA), as amended, is acceptable provided you:

1. Remove "Effective protection against West Nile virus" from the label.
2. Revise: "Apply on face by first spraying small amounts in palms of hands and spreading on face and neck." to "Apply on face by first spraying small amounts in palms of hands and spreading on face and neck, avoiding your eyes."
3. For consistency with other registered picaridin products add: "When using on children, apply to your hands and then apply it to the child. Do not apply to their hands. To apply to a child's face and neck, spray the product into your hands and apply to the child. Take care to avoid mouth and eyes and apply sparingly around ears. Do not allow children to handle the product."

A stamped copy of the label is enclosed for your records. Please contact Kevin Sweeney at (703) 305-5063 if you have any questions or concerns. Thank you for your cooperation in this matter.

Sincerely,  
  
Richard Gebken  
Product Manager 10  
Insecticide Branch  
Registration Division (7505P)

### CAUTION

STOP – Read This Entire Label Before Use

#### PRECAUTIONARY STATEMENTS

##### HAZARDS TO HUMANS

Causes moderate eye irritation. Avoid contact with eyes or clothing. Wash thoroughly with soap and water after handling, returning indoors, and before eating, drinking, chewing gum, or using tobacco.

The information below describes the first aid procedures for incidents involving KBR 3023 Insect Repellent Spray:

#### FIRST AID

##### IF IN EYES:

- Hold eye open and rinse gently with water for 15-20 minutes.
- Remove contact lenses, if present, after the first five minutes, then continue rinsing.
- Call a poison control center or doctor for treatment advice.

##### IF SWALLOWED:

- Call a physician or poison control center immediately for treatment advice.
- Have person sip a glass of water if able to swallow.
- Do not induce vomiting unless told to do so by a Poison Control Center or a doctor.
- Do not give anything to an unconscious person.

Have the product container or label with you when calling a poison control center or doctor or going for treatment. You may also contact 1-800-410-3063 for emergency medical information.

The LANXESS Pittsburgh Emergency Response Telephone Number is 800-410-3063

#### STORAGE AND DISPOSAL

Store in a cool, dry place out of the reach of children. Keep away from heat, sparks and open flame. IF EMPTY: Do not reuse this container. Place in trash or offer for recycling if available. IF PARTLY FILLED: Call your local solid waste agency or 1-800-526-9377 for disposal instructions. Never place unused product down any indoor or outdoor drain.

IN CASE OF EMERGENCY, CALL: CHEMTREC 800-424-9300

LABEL TEXT DATE: 4/14/2009

#### PHYSICAL HAZARDS

Flammable. Do not use or store near heat sources, sparks or open flame. Do not smoke while applying.

#### DIRECTIONS FOR USE

It is a violation of Federal law to use this product in a manner inconsistent with its labeling.

Follow these guidelines when applying KBR 3023 Insect Repellent:

- Hold 4 to 6 inches from skin while spraying, keeping nozzle pointed away from face. Slightly moisten skin with a slow sweeping motion.
- Excessive amounts or frequent reapplication is unnecessary.
- Do not exceed two applications per day.
- Apply on face by first spraying small amounts in palms of hands and spreading on face and neck.
- Do not apply to the hands of small children.
- Do not spray directly on face.
- Avoid contact with lips, cuts, wounds, or irritated skin.
- Do not apply to excessively sunburned skin.
- Do not apply under clothing.
- Apply sparingly around ears.

#### Optional Marketing Statements

[Use with confidence on the whole family]; [And your family will want to use it, too]; [Not oily, greasy or sticky]; [It smells great, too]; [Won't Damage Fishing Lines, Plastics or other Synthetic Materials]; [Repels Insects & Ticks for up to 8 Hours]; [Unscented]; [8 hours worry-free protection]; [Pocket Size]; [Notice: Buyer assumes all responsibility for safety and use not in accordance with directions]; [Does not damage plastic]; [Effective Protection against West Nile Virus]; [Repels mosquitoes for up to 12 hours]
