

## UNITED STATES ENVIRONMENTAL PROTECTION AGENCY WASHINGTON, DC 20460

OFFICE OF CHEMICAL SAFETY AND POLLUTION PREVENTION

September 22, 2021

Marcia L. Croce, M.S. Material Protection Products Regulatory Affairs 111 RIDC West Park Drive Pittsburgh, PA 15275-1112

Subject: Label Amendment – Updating Environmental Hazards Product Name: Preventol MIT 50 EPA Registration Number: 39967-142 Received Date: 01/21/2021 Action Case Number: 00216617

Dear Marcia Croce:

The amended label referred to above, submitted in connection with registration under the Federal Insecticide, Fungicide and Rodenticide Act (FIFRA), as amended, is acceptable. This approval does not affect any conditions that were previously imposed on this registration. You continue to be subject to existing conditions on your registration and any deadlines connected with them.

A stamped copy of your labeling is enclosed for your records. This labeling supersedes all previously accepted labeling. Pursuant to 40 CFR 156.10(a)(6) you must submit one copy of the final printed labeling before you release the product for shipment with the new labeling. In accordance with 40 CFR 152.130(c), you may distribute or sell this product under the previously approved labeling for 18 months from the date of this letter. After 18 months, you may only distribute or sell this product if it bears this new revised labeling or subsequently approved labeling. "To distribute or sell" is defined under FIFRA section 2(gg) and its implementing regulation at 40 CFR 152.3.

Should you wish to add/retain a reference to the company's website on your label, then please be aware that the website becomes labeling under FIFRA and is subject to review by the Agency. See FIFRA section 2(p)(2). If the website is false or misleading, the product would be misbranded and unlawful to sell or distribute under FIFRA section 12(a)(1)(E). 40 CFR 156.10(a)(5) lists examples of statements EPA may consider false or misleading. In addition, regardless of whether a website is referenced on your product's label, claims made on the website may not substantially differ from those claims approved through the registration process, FIFRA section 12(a)(1)(B). Therefore, should the Agency find or if it is brought to our attention that a website contains false or misleading statements or claims substantially differing from the EPA approved registration, the website will be referred to the EPA's Office of Enforcement and Assurance.

Page 2 of 2 EPA Reg. No. 39967-142 Action Case Number: 00216617

Your release for shipment of the product constitutes acceptance of these conditions. If these conditions are not complied with, the registration will be subject to cancellation in accordance with FIFRA section 6. If you have any questions, please contact Terria Northern via email at northern.terria@epa.gov.

Sincerely,

Steven Ingdorman

Steven Snyderman, Product Manager 33 Regulatory Management Branch II Antimicrobials Division (7510P) Office of Pesticide Programs

Enclosure: Accepted label

# **Preventol® MIT 50**

MANUFACTURING USE PRODUCT. For use by manufactures to formulate industrial microbiocides for use in metal working fluids concentrates, polymer latices, paints and coatings, building materials, dispersed pigments, fuel, adhesives and tackifiers, printing fluids, textile chemical preservation, in-container preservation, as a tankside additive for metal working fluids, conveyor lubricants, hydraulic fluids, metal cleaning fluids, photographic emulsion, commercial photoprocessing emulsions, recirculating electrodeposition systems, recirculating water cooling to wers, air

## washer systems, recirculating closed loop water cooling systems, paper mills, oil field injection waters

ACTIVE INGREDIENT: 2-methyl-3(2H)-isothiazolinone	55 7%
INERT INGREDIENTS	
TOTAL	100.0%

**KEEP OUT OF REACH OF CHILDREN** 

## DANGER PRECAUTIONARY STATEMENTS HAZARDS TO HUMANS AND DOMESTIC ANIMALS

**DANGER**. Causes irreversible eye damage and skin burns. May be fatal if absorbed through the skin or swallowed or inhaled. Prolonged or frequently repeated skin contact may cause allergic reactions, in

some individuals. Do not get in eyes, on skin or on clothing. Do not breathe vapor or spray mist. Wear

protective eye-wear such as goggles, or face shield. Wear coveralls over long-sleeved shirt and long pants, socks, chemical resistant footwear and chemical resistant gloves. Wear a NIOSH approved respirator with an organic vapor cartridge (OV) cartridge with any combination N, R, or P filter with a NIOSH approval number prefix TC; or a NIOSH approved gas mask with a canister with NIOSH approval number prefix TC; or powered air punifying respirator with orgaic vapor (OV) cartridge and combination HE filter with NIOSH approval number prefix TC-23C, powered or NIOSH approved gas mask with a canister. Wash thoroughly with soap and water after handling and before eating, drinking, and chewing gum, using tobacco or using the toilet. Remove and wash contaminated clothing before reuse.

[Note to Reviewer: In accordance with 40 CFR 156.68(d), all first aid statements, as prescribed, will appear on the front panel of the product label.]

#### FIRST AID

**IF IN EYES:** Hold eyes open and rinse slowly and gently with water for 15-20 minutes. Remove contact lenses, if present, after the first 5 minutes, then continue rinsing. Call a poison control center or doctor for treatment advice.

IF ON SKIN OR CLOTHING: Take off contaminated clothing. Rinse skin immediately with plenty of water for 15-20 minutes. Call a poison control center or doctor for treatment advice.

**IF INHALED:** Move person to fresh air. If person is not breathing, call 911 or an ambulance, then give artificial respiration, preferably mouth-to-mouth, if possible. Call a poison control center or doctor for further treatment advice.

IF SWALLOWED: Call a poison control center or doctor immediately for treatment advice. Have person sip a glass of water if able to swallow. Do not induce vomiting unless told to do so by a poison control center or doctor. Do not give anything by mouth to an unconscious person.

NOTE TO PHYSICIAN: Probable mucosal damage may contraindicate the use of gastric lavage.

GENERAL INFORMATION: Have the product container or label with you when caling a poison control center or doctor or going for treatment. For non-emergency and general information on product use, etc., information pertaining to this product, call the National Pesticides Information Center at 1-800-858-7378 (NIPC web site:www.npic.orst.edu). For emergencies, call the poison control center 1-800-222-1222.

IN CASE OF EMERGENCY, CALL: CHEMTREC 800-424-9300 INTERNATIONAL 703-527-3887

#### ENVIRONMENTAL HAZARDS

This chemical is toxic to aquatic plants, fish and aquatic invertebrates. Do not discharge effluent containing this product into lakes, streams, ponds, estuaries, oceans, or other waters unless in accordance with the requirements of a National Pollutant Discharge Elimination System (NPDES) permit and the permitting authority has been notified in writing prior to discharge. Do not discharge effluent containing this product to sewer systems without previously notifying the local sewage treatment plant authority. For guidance contact your State Water Board or Regional Office of the EPA. Do not contaminate water by cleaning of equipment or disposal of waste. Apply this pesticide only as specified on this label.

Preventol® is a registered trademark of the LANXESS Corporation.

LANXESS Corporation

111 RIDC Park West Drive • Pittsburgh, PA 15275-1112

## **DIRECTIONS FOR USE**

It is a violation of Federal law to use this product in a manner inconsistent with its labeling.

Preventol® MIT 50 is intended for formulation into antimicrobial products that will be registered with the EPA.

Note To Formulators: Formulators are responsible for obtaining their own EPA Registration Number and developing the data required to support their registrations.

## STORAGE AND DISPOSAL

Do not contaminate water, food, or feed by storage or disposal.

#### Pesticide Storage

Store in original containers only. Keep container tightly closed when not in use. Store in a secure area inaccessible to children and away from food or feed. In case of spill on floor or paved surfaces, cover spillage with moist sand, soil or saw dust. Transfer to a container for proper disposal. Wash the spillage area with water. Washings must be prevented from entering surface water drains.

#### Pesticide Disposal

Pesticide wastes are acutely hazardous. Improper disposal of excess pesticide is in violation of Federal Law. Wastes resulting from the use of this product may be disposed of on site or at an approved waste disposal facility. If these wastes cannot be disposed of by use according to label instructions, contact your State Pesticide or Environmental Control Agency, or the Hazardous Waste representative of the nearest EPA Regional Office for auidance.

### Container Handling

Non-refillable container. Do not reuse or refill this container. Offer for recycling if av ailable. Triple rinse container (or equivalent) promptly after emptying. Triple rinse as follows: Empty the remaining contents into application equipment or a mix tank. Fill the container ¼ full with water. Replace and tighten closures. Tip container on its side and roll it back and forth, ensuring at least one complete revolution, for 30 seconds. Stand the container on its end and tip it back and forth several times. Turn the container over onto its other end and tip it back and forth several times. Turn the container or a mix tank or store rinsate for later use or disposal. Repeat this procedure two more times. Then offer for recycling if av ailable or puncture and dispose of in a sanitary landfill, by incineration, or, if allowed by state and local authorities, by burning. If burned, stay out of smoke. DO NOT USE CONTAINER FOR FOOD, FEED, OR DRINKING WATER.
