PRECAUTIONARY STATEMENTS  
HAZARDS TO HUMANS & DOMESTIC ANIMALS  
CAUTION**

Harmful if swallowed or absorbed through skin. Avoid breathing vapors. Avoid contact with eyes, skin or clothing. In case of contact, immediately flush eyes and skin with plenty of water. Get medical attention if irritation persists. Keep spray in constant motion at least 36 inches from walls, fabrics, furniture, floor plastics, etc. Spraying closer may cause stains or damage certain floors or plastics. Foods should be removed or covered during treatment. All food processing surfaces should be covered during treatment or thoroughly cleaned before using. When using the product in these areas, apply only when the facility is not in operation. In hospitals, patients should be removed from room prior to treatment. Room should be ventilated for two hours after spraying. Do not return patients to room until after ventilation. Remove pets, birds, and cover fish aquariums before spraying.

**PHYSICAL OR CHEMICAL HAZARDS**

Contents Under Pressure. Do not use or store near heat or open flame. Do not puncture or incinerate container. Exposure to temperatures above 130° F may cause bursting.

**DIRECTIONS FOR USE**

It is a violation of Federal Law to use this product in a manner inconsistent with its labeling.

An insecticide space spray formulated especially for use in: hotels, motels, restaurants, offices, schools, hospitals, institutions and factories.

Keep upright while spraying.

For killing flies, mosquitoes, gnats and wasps: Close all doors and windows and direct spray upward into center of room with a slow sweeping motion. Fill the room with a mist. Hold dispenser at least 3 feet from all surfaces and objects while spraying. Keep room closed for 15 minutes after spraying.

For killing roaches, ants, waterbugs, silverfish, crickets: Spray baseboards, cracks, crevices, moist areas and openings around sinks and pipes and other hiding places, hitting the insects directly. Spray ant hills and ant trails over window and door sills and other locations. Repeat as necessary for control.

**STORAGE AND DISPOSAL**

Do not store near heat or open flame. Do not reuse empty container. Wrap container and put in trash collection.
