

ALCCO ALCO-CIDE W

AQUA LABORATORIES AND CHEMICAL

P.O. BOX 5725 LONGVIEW, TEXAS 75604
(214) 759-1431

ACCIDENTAL
40266-1
10 1980

ACTIVE INGREDIENT

Poly (oxyethylene (dimethyl-
liminio) ethylene (dimethyl-
liminio)ethylene dichloride)
..... 10.0%

INERT INGREDIENT..... 90.0%

This product contains 0.85
lb. of active ingredient per
gallon and weighs 8.49 lb.
per gallon.

**KEEP OUT OF REACH OF CHILDREN
CAUTION**

PRECAUTIONARY STATEMENTS --
HAZARDOUS TO HUMANS AND
DOMESTIC ANIMALS

CAUTION: Harmful if swal-
lowed. Avoid breathing
vapors. Avoid contact with
skin, eyes, or clothing.

FIRST AID: If swallowed,
drink promptly a large
quantity of milk, egg
whites, gelatin solution, or
if these are not available,

drink large quantities of
water. Avoid alcohol. Call
a physician immediately.

ENVIRONMENTAL HAZARDS: This
pesticide is toxic to fish.
Keep out of lakes, streams,
or ponds. Permits may be
required for discharges con-
taining this pesticide into
lakes, streams, ponds or
public water. For guidance,
contact the regional office
of the Environmental Protec-
tion Agency.

**DIRECTIONS FOR USE -
GENERAL CLASSIFICATION**

It is a violation of Federal
law to use this product in a
manner inconsistent with its
labeling.

ALCO-CIDE W is used to con-
trol algae, bacteria, and
fungi in recirculating com-
mercial and industrial water
cooling towers. Prior to its
use, systems must be cleaned
to remove algae, growth in-

crobiological slime and
other deposits. An initial
slug addition of 6.13 to
15.32 fluid ounces of ALCO-
CIDE W per 1000 gallons of
water to provide a concentra-
tion of 48 to 120 parts
per million of ALCO-CIDE W
based on the total weight
of water in the system, is
recommended. Repeat initial
dosage until control is
evident.

Subsequent slug addition
of 1.53 to 15.32 fluid
ounces of ALCO-CIDE W
should be employed every
2 to 5 days or as needed.
The frequency of addition
depends upon the relative
amount of bleedoff and
the severity of the micro-
biological problem. Slug
additions should be made
in the sump of water cool-
ing towers.

STORAGE & DISPOSAL

Keep container closed when
not in use. Do not con-

taminate water, food or feed
by storage, disposal, or
cleaning of equipment. The
container must be triple
rinsed (or equivalent) and
offered for recycling, re-
conditioning, or disposal in
an approved landfill or
buried in a safe place. Rin-
sate that cannot be used or
reprocessed should be dis-
posed of in a landfill
approved for pesticides or
buried in a safe place away
from water supplies. Open
dumping is prohibited.
