DIRECTIONS FOR USE

It is a violation of Federal Law to use this product in a manner inconsistent with its labeling.

Before application, brush animal to remove loose dirt, dust and debris.

To Use as a Wipe: Moisten (don't soak) a piece of turkish towel with formulation. Rub briskly against the direction of hair growth. Give special attention to shanks, legs, shoulders, neck and facial area. Avoid contact with eyes, nostrils, and mouth. Use no more than 1 to 2 ounces on mature horses and 1/2 to 1 ounce on ponies. Do not wet the hide. For best results apply daily.

To Use as a Spray: Using a mechanical sprayer, spray animal from a distance of 1 foot. 1 to 2 ounces is sufficient to treat an adult horse. For ponies use 1/2 to 1 ounce per animal. Apply once daily, preferably in the morning. Do not wet the hide.
