REGISTERED

### ACTIVE INGREDIENT

Poly[oxyethylene dimethyl ether] (20 mole % dimethylamino ethyl ether) 100%

### INERT INGREDIENT

This product contains 4.4% active ingredient. It weighs 8.39 lbs. per gallon.

KEEP OUT OF REACH OF CHILDREN  
**CAUTION**

### PRECAUTIONARY STATEMENT

HAZARD TO HUMANS AND DOMESTIC ANIMALS

**CAUTION:** Harmful if swallowed. Causes severe eye irritation. Avoid contact with skin and eyes.

**FIRST AID:** If swallowed, induce vomiting. If in eyes, flush with large quantities of water. Avoid further contact.

**ENVIRONMENTAL HAZARDS:** This product is highly flammable. It may be harmful to aquatic life if released into the environment. For guidance on proper disposal, see the label.

### DIRECTIONS FOR USE GENERAL CLASSIFICATION

For use as a general purpose disinfectant and sanitizer. Apply to surfaces to be treated. Allow to remain wet for 10 minutes. Rinse thoroughly with water. For use as a disinfectant, dilute with water to a concentration of 196 to 240 parts per million (ppm) active ingredient. The frequency of application should be determined by the amount of bleedoff and the type of surface being treated. Sanitizing solutions should be used only on surfaces that are not to be used for food preparation.

**STORAGE AND DISPOSAL:** Keep container closed when not in use. Store in a cool, dry place. Do not store in areas where children or animals can access. Dispose of contents in accordance with local, state, and federal regulations. Do not pour down the drain.
